On Wednesday, April 5 from 6-8:30 pm, the KHS Prom Committee will be hosting the KHS Formal Wear Share event in the cafeteria. Students in grade 12 and grade 8 are invited to browse our large selection of gently used formal wear that would be appropriate for a school prom or graduation event. We have over 200 short and long dresses, a small selection of suits, and ~25 pairs of women's shoes.

Pictures of some of the outfits will be shared on the KHS Instagram account (@YRDSB_KeswickHS) shortly.

We look forward to seeing you there.

Yearbook 2022/2023

The Yearbook Club is hard at work creating a senior yearbook for 2022/2023 grade 11's and 12's. We would love your support in making the yearbook a success!

We will need signed permission forms from parents in order to feature any student in the book who is under 18. This includes grad photos, prom and teams/clubs. If this form has already been filled out, it is not necessary to complete another one.

The ***Use of Student Personal Information Consent Form*** can be requested through the main office.

All sales are online through the link below:

We hope that you have had the chance to reflect on the courses you have selected for next year. It is now time to review and confirm the courses selected in My Pathway Planner for the 2023/2024 school year. It is important to ensure that you have selected the appropriate course codes, the correct pathway, and courses of interest.

To verify your courses, please log into 'My Pathway Planner':

1. Visit the [Keswick High School website](#) and scroll down to find the 'My Pathway Planner' logo/link on the bottom right hand side. Click the link.
2. Using your school username and password, please sign in. This is the same login as your GAPPs account.
3. Click "High School" on the left hand side dashboard and review the courses you have chosen for next year.

If you would like to make a change to your course requests, including alternate courses, please complete the [Course Change Confirmation Form 2023](#) using your GAPPs account only and submit by **TUESDAY, APRIL 11th at 3pm**. If you **DO NOT NEED** to request a change, please **DO NOT** complete the google form. If we do not receive a response from you, your course selection will be confirmed as is.

YRDSB summer school information will be available in the spring and we will communicate with students and families as soon as registration information and course catalogues become available. If you have any questions, please book a guidance appointment with your counsellor through Teach Assist.

In the Spring of 2023, students in Grades 4-12 will be invited to complete the student survey and will be provided with in-class time to complete it. Translated versions of the survey will be available. Contact us at 905-476-0933 or keswick.hs@yrdsb.ca for more information.

Extended Absence Form

If your student is going to be absent from school for three or more consecutive days an Extended Absence Form should be picked up from the Main Office. The student will take the form to each teacher to document the work and/or assignments they are responsible for during the time of the absence. The form is to be signed by the student and the parent(s)/guardian(s) and then returned to the Main Office. The form will be reviewed and signed by the Vice Principal. The attendance system is also updated accordingly. The student should pick up the form about 1 week prior to the first day of their absence.

Vaping in the Washrooms

We need your support. Several students are reporting that they feel unsafe within our washrooms as other students are vaping. As we monitor and find students vaping we do speak to them, reach out to families and follow progressive discipline. We are worried about the safety and the health concerns caused by vaping. Here is some information that we will be sharing with students and would like your support in having these dialogues at home too: <https://www2.yrdsb.ca/student-support/caring-and-safe-schools/substance-use-and-misuse/vaping-and-e-cigarettes>

Please do not permit your children to bring vapes or vape cartridges to school. We will be working with Tobacco Enforcement Officers to provide information to your children around the health concerns associated with vaping and the consequences for breaking the by-law around vaping on school property. This may include being issued a ticket or summons.

Please refer to the link below to discuss vaping with your teen.
