Student Attendance Expectations

As we get closer to the end of the school year, we would really appreciate your support with student attendance in their classes. It is the expectation that all students are to be in their classes by the time the bell rings at the beginning of the period. If your child arrives after the bell, they will be marked

late. The purpose of the 5 min. between classes is to give students time to travel between classes, go to the washroom, and fill up their water bottle.

It is very important that students stay in class for the entire period. This is where the learning happens. We want students to maximize the amount of time that they spend in class. If your child needs to go to the washroom, they must ask permission from their teacher and then go to the washroom that is closest to their classroom, and return immediately. Students are not allowed to hang out in the hallways during class time. No walking breaks. No laps around the school. Movement breaks can occur in the classroom. If your child has a spare, they are expected to go to the library, the cafeteria or the student success room or be at home.

Finally, food delivery services are not allowed to deliver food during class time. Food delivery can only happen between 11:45 and 12:25 pm.

There are just over 4 weeks before the beginning of the exam period. Let's make every minute count. Be in class. Be awesome.

Guidance Information

Full Disclosure

The Full Disclosure date for Grade 11 and Grade 12 courses for semester two is May 12th, 2023. If a student withdraws from a Grade 11 or 12 course on or prior to May 12th, then the course will not be recorded on the Ontario Student Transcript. If a student withdraws from a Grade 11 or 12 course after the Full Disclosure date, a withdrawal (W) is entered in the credit column, and the student's mark at the time of withdrawal will be recorded as a percentage in the achievement column of the transcript.

YRDSB Summer School Registration

YRDSB Summer School registration is now OPEN! Registration opened April 11th and will close on June 16th. YRDSB students can register online via [My Pathway Planner](#), please refer to the [my Pathway Planner Student Tip Sheet](#) on how to register. See course offerings and locations below:

- [2023 Secondary Summer School Courses and Locations](#)
- [2023 Online Learning \(Asynchronous\) Secondary Summer School Course List](#)

Please book an appointment with your Guidance Counsellor to discuss summer school registrations. Your Guidance Counsellor will need to approve your summer school registration.

Community Involvement Hours

Students in Ontario are required to complete 40 Hours of Community Involvement activities to graduate in June 2023 with an Ontario Secondary School Diploma. If you are a Grade 12 graduating

student, please submit to KHS Guidance the documentation of any outstanding/unrecorded hours as soon as possible or by the latest June 16th.

A useful resource is 'Neighbourhood Network' which provides a directory of activities in our community requiring volunteers: www.neighbourhoodnetwork.org. In addition, the parameters for obtaining community involvement hours has been extended to include, 10 hours from employment with a reflection and/or for duties normally performed in the home.

KHS Service Canada Social Insurance Clinic for Students

Service Canada representatives will be at KHS from 11:00 am to 3:00 pm on June 5, 2023 to help students apply for their Social Insurance Numbers and learn about the Canada Job Bank and Summer Program for Youth. Please see the attached link for more information:

- Student's will need their OEN # to sign up (found on student report card)

Vaping in the Washrooms

We need your support. Several students are reporting that they feel unsafe within our washrooms as other students are vaping. As we monitor and find students vaping we do speak to them, reach out to families and follow progressive discipline. We are worried about the safety and the health concerns caused by vaping. Here is some information that we will be sharing with students and would like your support in having these dialogues at home too: <https://www2.yrdsb.ca/student-support/caring-and-safe-schools/substance-use-and-misuse/vaping-and-e-cigarettes>

Please do not permit your children to bring vapes or vape cartridges to school. We will be working with Tobacco Enforcement Officers to provide information to your children around the health concerns associated with vaping and the consequences for breaking the by-law around vaping on school property. This may include being issued a ticket or summons.

Please refer to the link below to discuss vaping with your teen.

Food Pantry Program at Keswick High School

We are proud to announce that Keswick High School will be a pick-up location for students and families to access food that has been donated from the food bank of York Region. Any student can access and take part in this program, no questions asked.

Students can scan the QR code around the school to sign up or contact Mrs. Sedgwick or Mrs. Tweddle for more information.

Another option is that families may email Mrs. Sedgwick directly at pamela.sedgwick@yrdsb.ca

Distribution will occur on Wednesdays and Fridays from 3:10 p.m. - 3:30 p.m. for those picking up by vehicle or large quantities.

Non perishable food donations are also welcome. Please bring any donations to the main office.
