

Message from Our Trustee

September 2023

Dear families,

It is my pleasure to welcome all new and returning families to school for the 2023-2024 school year. I hope everyone had a wonderful summer and wish you a positive start to the new school year. I know it can be a time of transition for many, and am grateful for the dedication and professionalism of our school staff for all that they do to support students as they start the new school year, and create a warm, welcoming and inclusive environment in our schools.

The education of your children is a partnership, and we recognize that you are our most important partner when it comes to your child's education. As a family member, there are many ways you can engage in your child's learning, from speaking with your child about school and connecting with school staff to volunteering or becoming involved with the school council. You know your child best and we place great value on the relationship we have with families. I look forward to connecting with you throughout the school year.

As your school trustee, it is my role to advocate for quality public education in York Region, and to ensure that our students remain at the centre of all of our decision making. The Board of Trustees has many [responsibilities](#), including making [policy](#) and [budget](#) decisions, and communicating with the public. Please feel free to [contact me](#) if you have any questions or concerns, and I will continue to keep you updated throughout the year on what is happening in the board. You can also visit our [newsroom](#), listen to our [podcast](#) and connect with us on social media to stay up-to-date on what's happening in the board.

This year, we are pleased to welcome our [new Director of Education Bill Cober](#), who took on the role on August 1 this year. He brings nearly 30 years of experience in public education in York Region, a commitment to student achievement and well-being, and a strategic and collaborative approach.

Later in the year, we will be undertaking a comprehensive strategic plan review. One of our roles as a board is to set the [Multi-Year Strategic Plan](#) that establishes our priorities and guides our direction as a school board. We will be reviewing that plan this year, and engaging with communities is a priority for us. Your input will be important and I look forward to sharing more information with you on this in the future.

I wish you all a great start to the school year and a happy, safe and successful year ahead.
