Beginning in a Good Way

We affirm that we are all treaty people and acknowledge that the York Region District School Board is located on the lands of two treaties. These treaties have been signed with the Mississaugas of the Credit First Nation and the First Nations of the Williams Treaties who are: the Mississaugas of Alderville, Curve Lake, Hiawatha, Scugog Island; and the Chippewas of Beausoleil, Rama, and Georgina Island who is our closest neighbour and partner in education.

To honour this agreement we will take up our responsibility to be respectful of their traditions, knowledge and inherent rights as sovereign nations. We will respect their relationship with these lands and recognize that our connection to this land is through the continued relationship with these First Nations, and we acknowledge our shared responsibility to respect and care for the land and waters for future generations.

EQAO Math:

Math EQAO will be written on Thursday, June 16 for students enrolled in 9W math.

Students will write both sessions back to back either in the morning or afternoon depending on when their class is. Students will only miss one of their classes this day.

Students who had Grade 9W math semester 1, will also have the opportunity to write the test on May 16th in the afternoon. A Google Form will be going home shortly to these students and parents are asked to fill it out if their child is interested.

A dark blue circular logo with the word "MATH" in white, bold, uppercase letters.
