Keswick High School
COURSE SELECTION

Graduation Requirements

- 12 Credit Hours
- 18 Credit Hours
- 2+ Learning Credits
- 2+ Learning Credits

Course selections require planning and support!

Choose wisely! Know your strengths and interests. Consult with teachers, guidance and parents/guardians. Research post-secondary requirements. "My Pathway Planner" is your research tool.

GRADE 9 & 10 PATHWAYS

ACADEMIC

Academic courses focus on the essential concepts of the discipline and also explore related concepts. Academic courses develop students' knowledge and skills by emphasizing theoretical, abstract applications of the essential concepts of the course and incorporating practical applications as appropriate. Academic courses have more student-initiated activities and the curriculum is delivered at a quicker pace, requiring work outside of the class. PATHWAYS - University, College, Apprenticeship and Direct to Work.

LOCALLY DEVELOPED

Locally-developed courses have been developed to meet the needs of students whose skills fall below grade level. It is a guided approach to learning using practical examples and concrete objects. Each student's strengths and needs will determine appropriate pathways through secondary school.

PATHWAYS - Some College programs, some Apprenticeships, Direct to Work and Community Living

DE-STREAMED

De-streaming means this school will no longer be offering courses in the applied stream. De-streamed courses will have students from multiple pathways. Research shows that de-streaming results in better outcomes for students and particularly those who are from marginalized communities. PATHWAYS - University, College, Apprenticeship and Direct to Work.

2023-2024
COURSE SELECTION

COURSE SELECTIONS DUE ONLINE: Friday, February 24th @ 4:00pm

Everything is completed online and approved by parent/guardian through email (no paperwork). Course selection information powerpoints and handbooks can be found on the Guidance and Student Success Google Classroom (link code in window) and the KHS website, under the Guidance tab.

TIMELINES

Guidance Presentations - Guidance to visit Grade 9, 10, 11 classes to provide presentations and info sessions

JAN. 10-12

JAN. 12- FEB. 16

JAN. 16-20

FEB. 16-24

FEB. 24 @ 4pm

FINAL DAY TO SUBMIT COURSE SELECTIONS - Please submit through My Pathway Planner by 4pm on February 24th.

LOCK-IN WINDOW - Period of time during which students' submit online course selections through My Pathway Planner. Once you have reviewed your selections, send an approval email to a parent/guardian for final sign-off.

Choose courses wisely! Because the master timetable at KHS will be created based on your requests!

TIPS FOR ONLINE COURSE SELECTION IN 'MY PATHWAY PLANNER'

STEP 1: Access the Course Selection tool in 'My Pathway Planner' from the Keswick High School website. Click on the 'My Pathway Planner' icon. Login using your YRDSB student number and password. Using the left-hand navigation menu, click 'High School' to create a plan.

STEP 2: Add courses for next year in the high school planner. Click on to add a course. In the course selection and details screen, explore the available courses. The 'Graduation indicator' will help you keep track of your progress. Click 'View progress' for a list of specific graduation requirements.

STEP 3: Review and submit your courses. Check that you have a full course selection and have selected all compulsory courses needed. Prior to submitting, click on the 'Review course selections' button and give your selections one final look over. When you are satisfied with your selection, click on 'submit course'.

STEP 4: Once you have submitted your courses, you will be asked to provide a parent/guardian email. Speak with your parent/guardian about your course selections and please have them click 'approve selections' in the email that was sent to them. This completes course selections.

Course Selection Information

- COPIES AVAILABLE ONLINE AT: www.yrdsb.ca/schools/keswick.hs
- To support your course selection at KHS, we encourage you to review this presentation, the handouts and any additional information posted to our website, at home with your parent/guardian

The screenshot shows the Keswick High School website. The top navigation bar includes links for Keswick H.S., School Information, News & Events, Departments & Programs, Students, Parents, **Guidance** (circled in red), Library, and School Council. Below the navigation bar, the 'You Are Here' path is 'Schools > Keswick H.S.'. The main content area features a calendar for Monday, December 19, and Tuesday, December 20, with events like 'Grad Photo Sitings', 'SPIRIT WEEK - Sports Monday!', and 'Girls Hockey Tournament Day'. To the right, there is a 'Contact Information' section with the address '100 Riscayne Blvd., Keswick L4P 3S2', phone '(905) 476-0933', fax '(905) 476-0929', email 'keswick.hs@yrdsb.ca', and bell times '9:05 AM - 3:05 PM'. Below the contact info are links for 'Principal's Message', 'Trustee Message', 'School News', and 'teachassist'. At the bottom, there is a 'Tweets from @YRDSB_KeswickHS' section and a 'Parents/Guardians: Enter your e-mail address to subscribe to' form.

This course is designed to extend the range of oral communication, reading, writing, and media literacy skills that students need for success in their secondary school academic programs and in their daily lives. Students will analyse literary texts from contemporary and historical periods, interpret and evaluate informational and graphic texts, and create oral, written, and media texts in a variety of forms. An important focus will be on the selective use of strategies that contribute to effective communication. This course is intended to prepare students for the compulsory Grade 11 university or college preparation course.

COURSE PATHWAY OPTIONS FOR GRADE 10

It is important for students, and parents/guardians to remember that course and post-secondary pathways are changeable and flexible.

Students may choose all of the same course pathways or a combination

- Courses you request for next year will influence your post-secondary options
- Student course requests determine what courses, and how courses are timetabled at KHS
- We want you to be successful in your program

- You have the next month to research, consult and plan
- Consult with teachers, guidance and parents
- Research post-secondary eligibility requirements
- Remember there are many pathways to the destination of your dreams

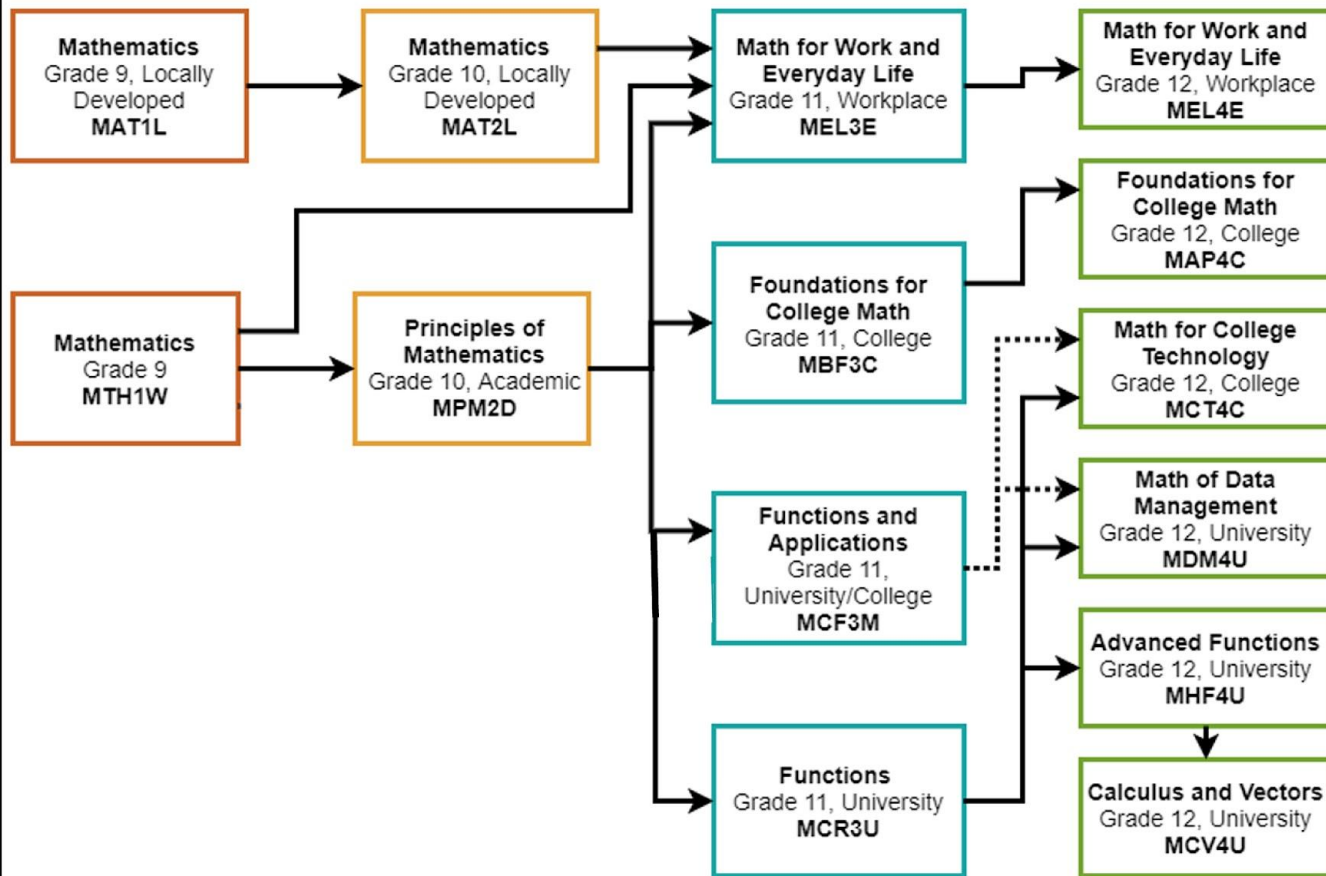

Prerequisite Planning

- Many Grade 11 & 12 courses have prerequisites
- Prerequisites are identified for each course in the KHS calendar and in My Pathway Planner
- Planning backwards (with the end in mind) is essential
- Colleges, universities, the Ontario apprenticeship board, trade unions and other post-secondary institutions also have eligibility requirements for their programs

Math Pathways Planning

Course Selection Tips

Diploma

PREPARING FOR THE DIPLOMA PATHWAY AT COLLEGE

- The most commonly required courses for admission to college diploma programs are Grade 12 English (ENG4C), Grade 12 Math (MA4C), and Grade 11 or 12 Sciences (SBD1, SCH4C).
- Most college diploma programs require college (C) preparation courses to meet specific course admission requirements.
- Carefully check Math requirements! Some college programs require prerequisite Grade 12 Mathematics for College Technology (MCT4C) for which the prerequisite is MCF3M (not MIP3C). Speak with a guidance counselor if this is the case.
- Many students take the college diploma pathway as a stepping stone for transfer to the university or college degree pathway www.ontransfer.ca.
- College admission requirements can vary a great deal from college to college, even when the program titles are the same.
- Repeat your research for every college program you are considering to be certain you will meet their credit admission requirements. www.ontariocolleges.ca

STUDENTS WITH EXCEPTIONAL LEARNING NEEDS

- Students with exceptional learning needs, learning disabilities and/or Individual Education Plans (IEP) can find support information for both colleges and universities at: www.transitionresourceguide.ca

☒ COURSE SELECTION TIPS

- Students entering Grade 11 must select 8 courses
- Students entering Grade 12 should sign up for a full timetable (8 courses)
- If your college program (e.g. social work) requires documented experience, take co-operative education courses and/or volunteer if possible.
- If you are planning on applying to college or your destination is a college diploma, take college program prerequisite courses at the college (C) level whenever possible (e.g. ENG4C rather than ENG4U), unless your college program factors in a grade differential weighting when making admission decisions (note: the majority of colleges do not do this).
- Take courses for which you have the prerequisite credit as well as the academic preparation

Dual Credit Courses allow Grade 12 students (while they are still in secondary school), to take college or apprenticeship courses that count towards both the Ontario Secondary School Diploma (OSSD) and a post-secondary college program.

Students may earn credits toward the OSSD through courses delivered by publicly funded colleges in Ontario that are participating in the ministry approved dual credit program. As well, SHSM and OYAP students may receive some industry-specific certification in Dual Credit courses. Students can earn up to four optional credits through college delivered dual credit courses.

Book an appointment with your guidance counselor to learn more or visit: www2.yrdsb.ca > Schools & Programs > Secondary School > School Programs & Opportunities > College Delivered Dual Credit Courses

Degree

PREPARING FOR THE DEGREE PATHWAY AT UNIVERSITY OR COLLEGE

- University admission usually requires a minimum of six Grade 12 U or M courses (the number of accepted M courses depends on the university program)
- Check specific program requirements for each university
- Science program requirements vary greatly depending on the university
- If you wish to apply to a Bachelor's Degree program at college, you must meet university admission requirements
- If you wish to apply to a joint College/University program (e.g. nursing) you must meet university admission requirements

- When researching university programs consider the following: admission averages cut-off marks and program enrollment numbers, additional admission criteria
- Universities often consider Grade 11 U and M courses for conditional offers of admission
- www.ontariouniversitiesinfo.ca
- www.ontariocolleges.ca
- "My Pathway Planner"

☒ COURSE SELECTION TIPS

- Students entering Grade 11 must select 8 courses
- Students entering Grade 12 are recommended to sign up for 8 courses and at least 7 Grade 12 U or M courses
- 12 U English (ENG4U) is a requirement for most University Degree and College Degree programs
- Select Social Science courses in addition to Math and Science in case you change your program choice
- Take courses for which you have not only prerequisites, but also the academic preparation
- Consider attending spring open houses at the universities and colleges which are often held over March break

Specialist High Skills Major (SHSM)

SHSM Programs at KHS:
Business,
Transportation/Technology

What is it?

SHSM is a two-year program designed to help students develop specialized skills in various careers. It is career-focused learning which allows students to explore, identify and refine their career pathways while working toward their OSSD. Students complete a package of sector specific certifications, sector-partnered experiences and course requirements include a two-credit co-op.

For Whom?

Grade 11 & 12 students, in any pathway, who are interested in exploring a field of study related to occupations in the Business, or Technology sectors.

Why should students consider it?

This additional qualification is recognized by Colleges and Universities across the province. It enhances the student's understanding of the field of study they are interested in pursuing. Students can earn an SHSM certificate upon graduation.

Sector related occupation examples include:

Business

- Accounting
- Banking
- Economist
- Conference and Events Planning
- Marketing
- Retail
- Human Resources

Transportation/Technology

- Pilot/Flight Engineer
- Machine Operator/Inspectors
- Aerospace Engineer
- Urban and Land Use Planner
- Small Engine/Equipment Repair
- Motor Vehicle Body Repair
- Construction Millwright
- Automotive Service Technician
- Heavy Equipment Operator
- Industrial Engineering

Course Selection Tips

www.yrdsb.ca/schools/keswick.hs/guidance

Apprenticeship

APPRENTICESHIP & WORKPLACE

Apprenticeship is a proven hands-on training program for people who enjoy "learning by doing" and who want to work in a skilled trade. About 90% of apprenticeship training is provided in the workplace by employers. The remainder involves theoretical classroom instruction, which is usually given at a local community college, or provided through another approved training organization. Apprentices receive training while they earn a wage. The length of time that is required to complete an apprenticeship varies from trade to trade.

Accelerated OYAP

Students can earn high school credits, register as an apprentice, complete part or all of the "Level One" apprenticeship schooling in a specific trade, and earn hours toward their apprenticeship training. YRDSB currently offers Level 1 Apprenticeship programs for: Auto Service Technician, Refrigeration and Air Conditioning Systems Mechanics, Cook, Electrician, Plumber, Child Development, Baker, General Carpenter and Drywall.

Upon graduation, individuals are to find an employer willing to sign them on as an apprentice. Having prior experience through a co-op placement or summer employment, could assist in securing an apprenticeship.

For further information:

'My Pathway Planner'

www.yrdsb.ca

Schools & Programs >
Secondary School Programs
& Opportunities >
Ontario Youth Apprenticeship
Program (OYAP)

[www.ontario.ca/page/
apprenticeship-ontario](http://www.ontario.ca/page/apprenticeship-ontario)

YRDSB school-to-work transition offerings are specialized programs that prepare students for employment or self-employment. These programs include both in-school and work-based experiences, including job shadowing/ job twinning, work experience, co-operative education, and in-depth skills training, and require the involvement of employers in their development and delivery. These programs may provide advanced standing or additional certification for students in apprenticeship and skills certification programs.

The following resources provide information and support for students preparing for the workplace:

'My Pathway Planner'

www.esdc.gc.ca

[www.ontario.ca/page/
employment-ontario](http://www.ontario.ca/page/employment-ontario)

www.jobskills.org

www.gtti.ca

For all four of the pathways discussed in this guide, consider the co-op program to help get you there. Actual experience is a great way to gain insight into a career, and reading straight to the source can help you consider the many reasons for participating in a co-op program:

- Gives students a competitive edge
- Confirms career choices
- Builds a network of career related references
- Helps develop career focused essential skills
- Could lead to a part-time or full-time job

For further information on all four pathways opportunities gained through co-op, please speak with Mr. Rob Heath, KHS Head of Community Based Education (Co-operative Education).

✓ COURSE SELECTION TIPS

- Strong math skills are required for some of the skilled trades (e.g. electrical, automotive service technician). Check carefully, you may require MCT/C. Please see your guidance counsellor if this is the case.
- If there is a skilled trade you are interested in, you should investigate co-op opportunities (e.g. construction sector may require you to consider a 4 credit co-op in Grade 11, in order to participate in the accelerated OYAP program in second semester Grade 12).

Workplace

- The YRDSB Policy that encourages students to meet their OSSD graduation requirements within four years
- If needed, you may earn up to 34 credits within five years
- While enrolled in your first four consecutive years of secondary school, you may go beyond 34 credits
- Speak to your guidance counsellor if you are unable to complete your secondary school education plan in four years, as some expectations may apply

Community Involvement Hours

- Make a commitment to get your 40 hours completed as soon as possible
- See the bulletin board inside the Guidance Office to learn about current volunteer opportunities

NeighbourhoodNetwork
Building Better Communities Together

- Register online with the Neighbourhood Network to be notified about local volunteer opportunities:
neighbourhoodnetwork.org

- The Ontario Student Transcript provides a record of a student's overall achievement in high school
- Only successfully completed Grades 9 & 10 courses appear on your transcript
- **ALL** Grade 11 and 12 course attempts will appear on your transcript

Scholarship Planning

- Visit www.scholarshipscanada.com
- Visit studentawards.com
- Visit seekingscholarships.com

- Registration occurs in April/May
- Students registering for summer school will require guidance counsellor consultation and approval
- Student will register through My Pathway Planner
