The focus of the Guidance and Career Education program at Keswick High School is to help each student successfully complete high school, and realize their full potential, by setting goals that lead to an appropriate post-secondary pathway in the world of work, apprenticeship, college or university. The program is delivered through classroom instruction, seminars, field trips, guest speakers and individual academic and career counselling. Guidance counsellors also provide students with short-term personal counselling and referrals to community agencies, help with problem-solving skills to deal with personal or school-related issues, assistance with course selection, and information on how to earn the required 40 hours of community involvement activities.

Guidance counsellors are assigned by alphabet (alpha) and appointments may be arranged in the Guidance office (located beside the main office) or by calling 905-476-0933, ext. 1086.

Course Selection Timelines

Grade 10 - 12 (for current grade 9 - 12's) due in February
Grade 9 (for current grade 8's) due in February - to grade 8 homeroom teacher

About KHS

Keswick High School has a population of 900 students and 80 staff members. The school offers grade 9 to 12 programming.

Elective Courses

- Arts (Dance, Drama, Music and Visual Arts)
- Business Studies
- Family Studies
- Technological Studies
- Special Education

Programs

- Co-operative Education and OYAP
- Dual Credit Courses
- Specialist High Skills Major Program (SHSM) - Business Sector and Transportation Sector

KHS is an Early Start School

Classes begin the last week of August

Fall Break

To Be Determined by the School Board
(usually at the end of October
or early November)

Grade 9 Timetable

Period 1: 9:10 – 10:25 am
Period 2: 10:30 – 11:45 am
1st Lunch: 11:50 am – 12:30 pm
Period 4: 12:30 – 1:45 pm
Period 5: 1:50 – 3:05 pm

Semester 1

Last week of August – January

Exams: End of January

Semester 2

February – June

Exams: End of June

Keswick High School

Grade 9 Course Selection Package 2019 – 2020

Important Dates for Grade 8's Transitioning to KHS

Friday, February 1, 2019

Registration Form Due

(and transfer form, if applicable)

- Submit registration form to grade 8 teacher
- Transfer form due to Keswick High School (to be dropped off by parent/guardian)

Friday, February 22, 2019

Course Selections Due

- Complete courses online in My Pathway Planner
- Courses can be locked in (Submitted) starting Feb. 11
- Print and return a signed copy of the Course Selection Sign-Off Sheet to grade 8 teacher

Ontario Secondary School Diploma (OSSD) Requirements

12 Optional Credits

Successful Completion of Literacy Test

18 Compulsory Credits

40 Hours of Community Involvement

OSSD Requirements

18 compulsory credits

Students must earn the following compulsory credits to obtain the Ontario Secondary School Diploma:

4	credits in English (1 credit per grade)*
3	credits in mathematics (1 credit in Grade 11 or 12)
2	credits in science
1	credit in Canadian history
1	credit in Canadian geography
1	credit in the arts
1	credit in health and physical education
1	credit in French as a second language
0.5	credit in career studies
0.5	credit in civics

In addition, students must complete:

✓	12 optional credits†
✓	40 hours of community involvement activities
✓	the provincial literacy requirement

Plus one credit from each of the following groups:

Group 1:

- English or French as a second language**
- a Native language
- a classical or international language
- social sciences and the humanities
- Canadian and world studies
- guidance and career education
- cooperative education***

Group 2:

- health and physical education
- the arts
- business studies
- French as a second language**
- cooperative education***

Group 3:

- science (Grade 11 or 12)
- technological education
- French as a second language**
- computer studies
- cooperative education***

* A maximum of 3 credits in English as a second language (ESL) or English literacy development (ELD) may be counted towards the 4 compulsory credits in English, but the fourth must be a credit earned for a Grade 12 compulsory English course.

** In groups 1, 2 and 3, a maximum of 2 credits in French as a second language can count as compulsory credits, one from group 1 and one from either group 2 or group 3.

*** A maximum of 2 credits in cooperative education can count as compulsory credits.

† The 12 optional credits may include up to 4 credits earned through approved dual credit courses.

The Grade 10 Literacy Test

- A Diploma requirement. Administered in March of grade 10
- A test based on language and communication (reading and writing) expectations of curricula up to and including grade 9

Community Involvement

- Encourages civic responsibility, promotes community values and reinforces importance of volunteerism
- Complete 40 hours before graduation
- Can start in summer of grade 8 completion
- Please obtain approval before starting involvement

Post-secondary Pathways

DESTINATIONS:

- Apprenticeship in Skilled Trades
- Direct to Work
- College
- University
- Community Living

Apprenticeship Post-Secondary Pathway

- Learn through ‘in-school’ and ‘on-the-job’ education and training in a skilled trade
- There are over 150 skilled trades from which to choose!
- You can start after graduation, OR you can get a head start while in secondary school through Ontario Youth Apprenticeship Program (OYAP)
- In YRDSB, OYAP enables high school students to begin their apprenticeship training by participating in a co-op placement in a skilled trade to earn high school credits acquiring skills competencies towards their apprenticeship - www.oyap.com
- For more information, contact your Community Based Education (Co-op) teacher or Guidance

College Pathway

- Combination of academic and practical/technical skills training for a specific career
- Over 1000 programs to choose from including:
Business Administration, Biomedical Technology, Computer Animation, Engineering Technology, Paramedic, Social Services, Specialized Arts Programs.....
- Every college offers Certificates, Diplomas, Advanced Diplomas, Certificates and Bachelor Degrees

University Pathway

University programs provide theoretical and some practical training

Three main areas of focus at most universities:

1. Arts/Humanities/Social Sciences
2. STEM: Science, Technology, Engineering, Mathematics
3. Business/Commerce

College and University

- Articulation agreements between colleges and universities can earn students a degree and a diploma in four years.
- Many students attend college for a year or two as they build self-awareness and knowledge of desired career. They then either graduate, stay with college or transition to university
- Multiple opportunities for transferability between colleges and universities

Workplace Pathway

Students who are fast tracking into the workforce/community directly after high school should:

- work with Guidance, Co-op, Student Success Teacher, Classroom Teachers, Personalized Alternative Education Teachers, Employment Centers to review their Individual Pathways Plan to research and review workplace opportunities
- Any experiential education is an advantage

The Key to Choosing a Pathway

Choose for Success!

- What do my teachers suggest?
- What does my report card say?

Pathway Planning

It is important for students, parents and guardians to remember...

- ◎ Course and Post-Secondary Pathways are changeable and flexible
- ◎ Students will have many opportunities to re-chart their journey as their interests, skills and aptitudes develop and mature

Grade 9 Courses

All grade 9 students will take the following 8 courses:

- English
- Math
- Science
- Geography
- French *
- Physical & Health Education
- 2 optional courses

* FSF 1D1, FSF 1P1, FSF 1O1

ACADEMIC	Working at or above grade level	29	<u>Theoretical</u> and independent approach to learning with a focus on critical thinking skills
APPLIED	Working at or above grade level	22	Step-by-step approach to learning using theory and <u>practical</u> examples.
LOCALLY DEVELOPED (credit-bearing courses)	Working below grade level in Math, English or Science (i.e. modified expectations)	16	<u>Guided</u> approach to learning using practical examples and concrete objects.
OPEN	Available to all students	28	An opportunity to explore an area of interest for all students

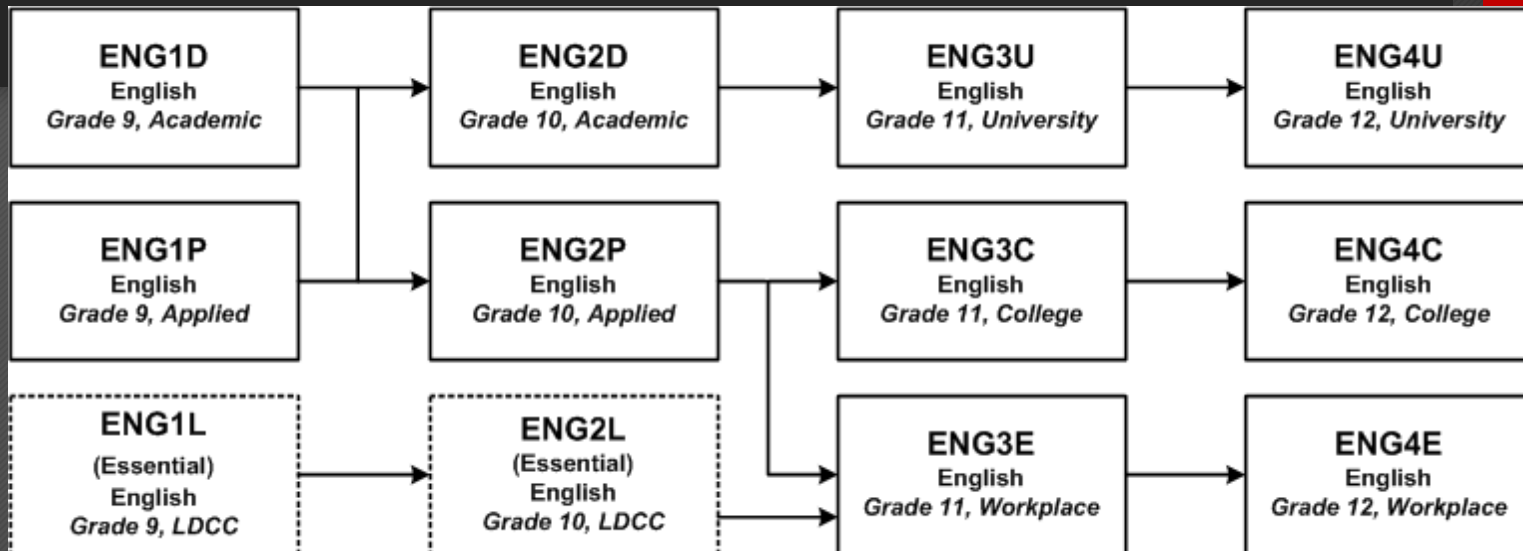

Making the Choice...

- Select courses in collaboration with grade 8 teachers and high school guidance counsellors
- Students should do an honest self-assessment, matching their ability with their interests and aptitudes

Remember that initial decisions made in grade 8 are not necessarily final decisions. There are many pathways to the destination your child dreams of!

English

Prerequisite charts like this one can be found on the YRDSB website. They can help you track which grade 9 courses lead to which grade 12 destination courses

Unlimited Potential Math (UP Math) Program

- Two credit package which includes:
 - Grade 9 learning strategies course with an emphasis on mathematics (semester one)
 - Grade 9 math (semester two)
- Designed to help students build **confidence, leadership skills, and a growth mindset** in math
- Students need to be recommended by their grade 8 teacher

Optional Courses

English

This course is designed to develop the oral communication, reading, writing, and media literacy skills that students need for success in their secondary school academic programs and in their daily lives. Students will analyse literary texts from contemporary and historical periods, interpret informational and graphic texts, and create oral, written, and media texts in a variety of forms. An important focus will be on the use of strategies that contribute to effective communication. The course is intended to prepare students for the Grade 10 academic English course, which leads to university or college preparation courses in Grades 11 and 12.

- Friday, January 31 - KHS Registration Form due (and transfer request form if applicable)
 - Registration form: submit to grade 8 teacher
 - Transfer form: submit to grade 8 teacher

please note that this is a PA Day, so you may want to hand it in the day before
- Wednesday, February 12 - Students can begin locking in course selections
- Monday, February 24 - Course selection due in My Pathway Planner and “Course Request Sign Off Sheet” due to Grade 8 teacher.

Course Selection Follow-up

- Review of Course Selections
ongoing
- Course Selection Verification
March/April
- Guidance Support
ongoing

Special Programs/Activities that Support Post-Secondary Pathway Planning

Specialist High Skills Major (SHSM)

- All YRDSB secondary schools have one or more SHSM programs
- Students can enroll in SHSM for Grades 11 & 12
- SHSM students benefit from specializing in specific economic sectors while in secondary school
- Students contextualize their learning and have many additional secondary school experiences available to them
- Students make informed transitions to post-secondary

The Five Components of SHSM Programs

Credits

YRDSB Dual Credit Courses

**CREDIT
CREDIT**

**Dual
Credit**

- Students in grade 11 (semester 2) or grade 12 take a course at college while still in secondary school
- Partnerships with Seneca, Centennial, Georgian, Humber, George Brown and Fleming Colleges
- Available courses and subjects change on a yearly basis.
- Students earn one secondary school credit and one college credit (students in apprenticeship programs can earn more)
- Students select courses on The Pathway Planner. For more information, contact Guidance Services or go to www.yrdsb.ca/programs/dualcredit
