The focus of the Guidance and Career Education program at Keswick High School is to help each student successfully complete high school, and realize their full potential, by setting goals that lead to an appropriate post-secondary pathway in the world of work, apprenticeship, college or university. The program is delivered through classroom instruction, seminars, field trips, guest speakers and individual academic and career counselling. Guidance counsellors also provide students with short-term personal counselling and referrals to community agencies, help with problem-solving skills to deal with personal or school-related issues, assistance with course selection, and information on how to earn the required 40 hours of community involvement activities.

Guidance counsellors are assigned by alphabet (alpha) and appointments may be arranged in the Guidance office (located beside the main office) or by calling 905-476-0933, ext. 1086.

Power Point Presentations:

November 2017: Grade 8 Student and Parent/Guardian Evening

No need to take notes...

This entire slide deck will be posted on the KHS website under the Guidance tab. Google Keswick High School.

KHS General Information

Start Time

- Early start school (August)
- 9:10 - 3:05 p.m.

School Year Structure

- Semestered
- 4 classes each semester – 75 minutes each
- 40 minute lunch – two periods
- Final exams – January and June

School Population

- 900 students currently
- 200 incoming grade 9s

SCHOOL ADMINISTRATION

Principal: Mr. Mike Grieve

Vice Principals:

Mr. Stewart Todd (A-K)

Ms. Kirsty Irvine (L-Z)

Course Selection Preparation

Feeder School Visits & Evening Presentation

- November 2017

Grade 8 Course Selection and Open House

- Wednesday, January 17 from 7:00 - 9 p.m.

Individual Guidance Appointments Available:

Tuesday, January 30 and Wednesday, January 31 - between 3:00 – 4:20 p.m.

- 20 minute appointment (in person or by phone)
- To book an appointment, please call Ms. Gowan in Guidance at 905-476-0933 ext. 1086

Classroom Instruction

- Grade 8 classroom visits from January 25 - 30, 2018

About KHS

Keswick High School has a population of 900 students and 80 staff members. The school offers grade 9 to 12 programming.

Elective Courses

- Arts (Dance, Drama, Music and Visual Arts)
- Business Studies
- Family Studies
- Technological Studies
- Special Education

Programs

- Co-operative Education and OYAP
- Dual Credit Courses
- Specialist High Skills Major Program (SHSM)
 - Business Sector and Transportation Sector

KHS is an Early Start School
Grade 9 classes begin
Monday, August 27, 2018

Fall Break
October 29 – November 2, 2018

Grade 9 Timetable

Period 1: 9:10 – 10:25 am
Period 2: 10:30 – 11:45 am
1st Lunch: 11:50 a.m. – 12:30 pm
Period 4: 12:30 – 1:45 pm
Period 5: 1:50 – 3:05 pm

Semester 1

August 27 – January
Exams: End of January

Semester 2

February – June
Exams: End of June

Keswick High School

**Grade 9 Course
Selection Package**
2018 – 2019

Important Dates for Grade 8's Transitioning to KHS

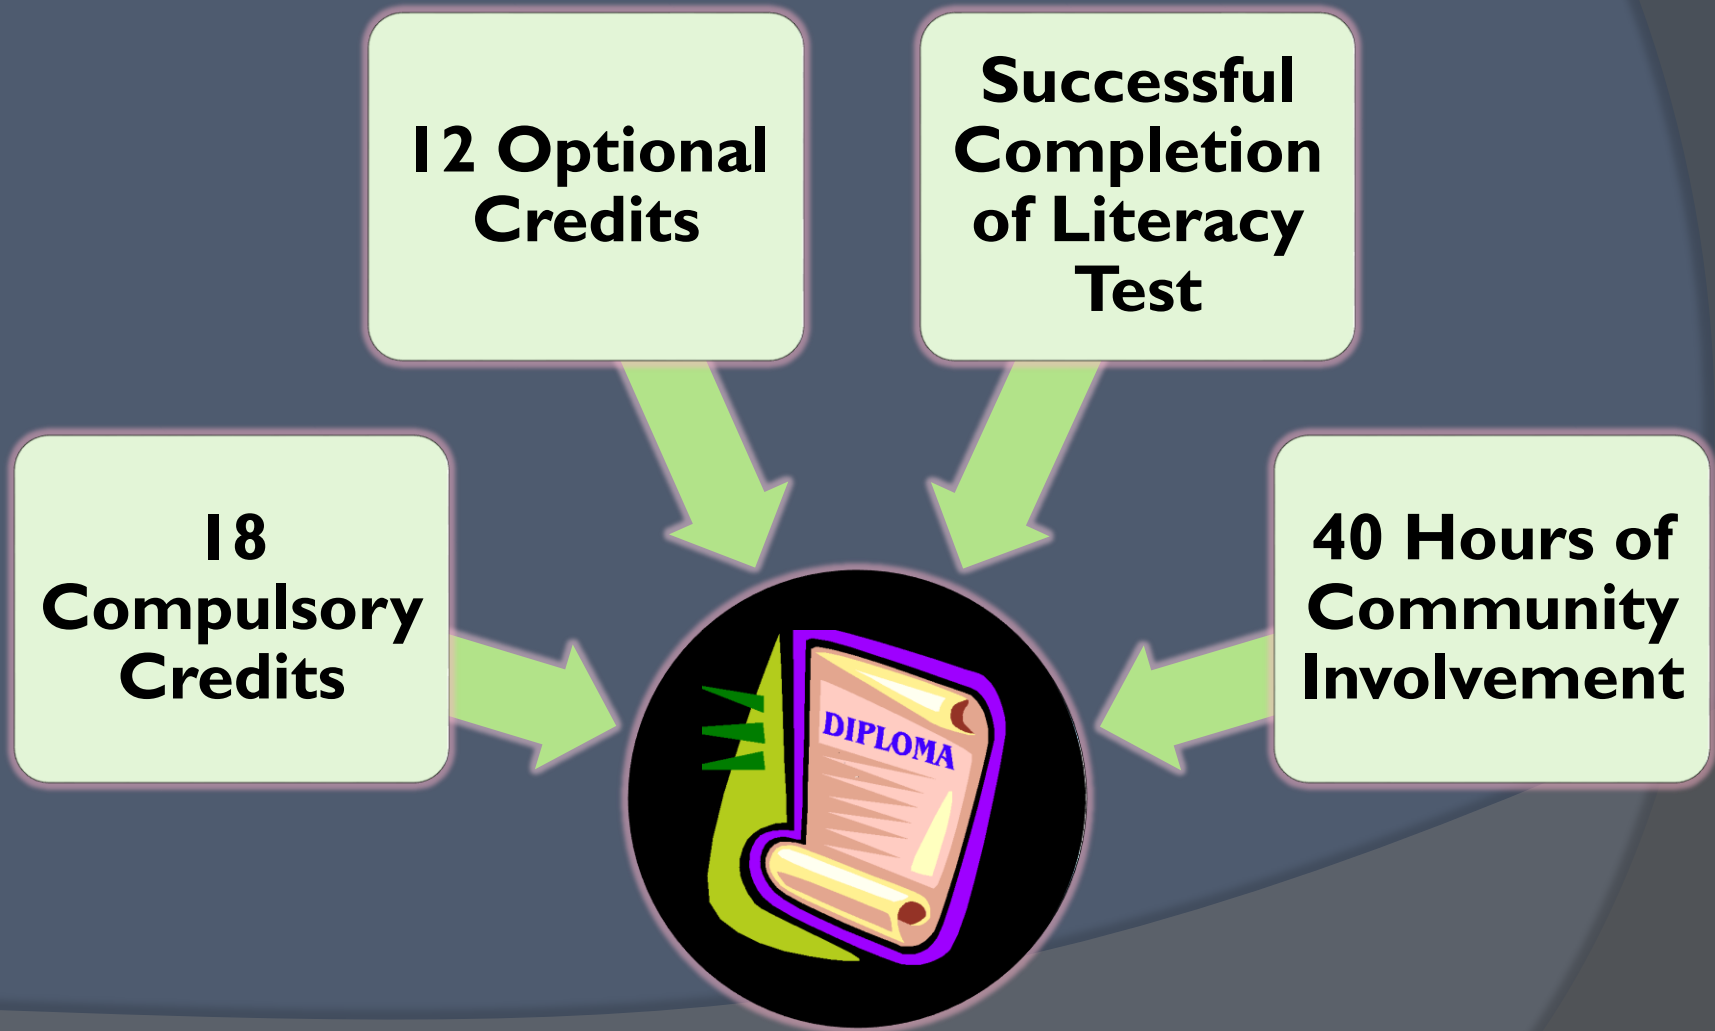

Friday, February 2, 2018
Registration Form Due
(and transfer form, if applicable)

- Submit registration form to grade 8 teacher
- Transfer form due to Keswick High School (to be dropped off by parent/guardian)

Friday, February 23, 2018
Course Selections Due

- Complete courses online in Career Cruising (instructions inside)
- Submit a signed hard copy of the course selection to grade 8 teacher

Ontario Secondary School Diploma Requirements

Post-secondary Pathways

DESTINATIONS:

- Apprenticeship in Skilled Trades
- Direct to Work
- College
- University
- Community Living

The Key to Choosing a Pathway

Choose for Success!

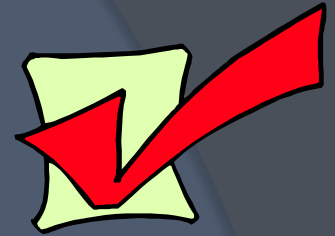

- What do my teachers suggest?
- What does my report card say?

Pathway Planning

It is important for students, parents and guardians to remember...

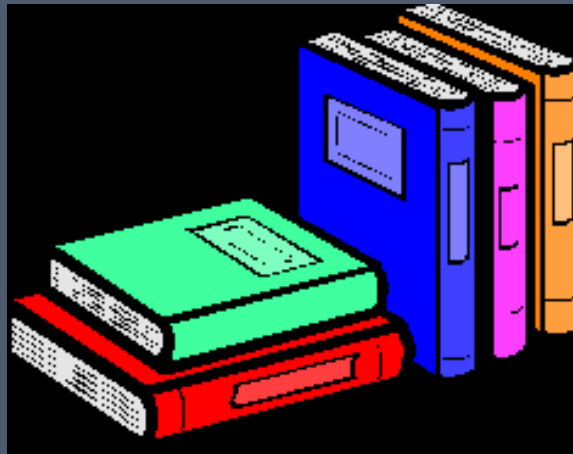

- ◎ Course and Post-Secondary Pathways are changeable and flexible
- ◎ Students will have many opportunities to re-chart their journey as their interests, skills and aptitudes develop and mature

Grade 9 Courses

All grade 9 students will take the following **8 courses**:

- English
- Math
- Science
- Geography
- French *
- Physical & Health Education
- 2 optional courses

* FSF IDI, FSF IPI, FSF IOI

Locally
Developed

English

Math

Science

Students may choose all of the same course types or a combination of some.

COURSE TYPE	ABILITY	CLASS MAX	APPROACH
ACADEMIC	Working at or above grade level	29	<u>Theoretical</u> and independent approach to learning with a focus on critical thinking skills
APPLIED	Working at or above grade level	22	Step-by-step approach to learning using theory and <u>practical</u> examples.
LOCALLY DEVELOPED (credit-bearing courses)	Working below grade level in Math, English or Science (i.e. modified expectations)	16	<u>Guided</u> approach to learning using practical examples and concrete objects.
OPEN	Available to all students	28	An opportunity to explore an area of interest for all students

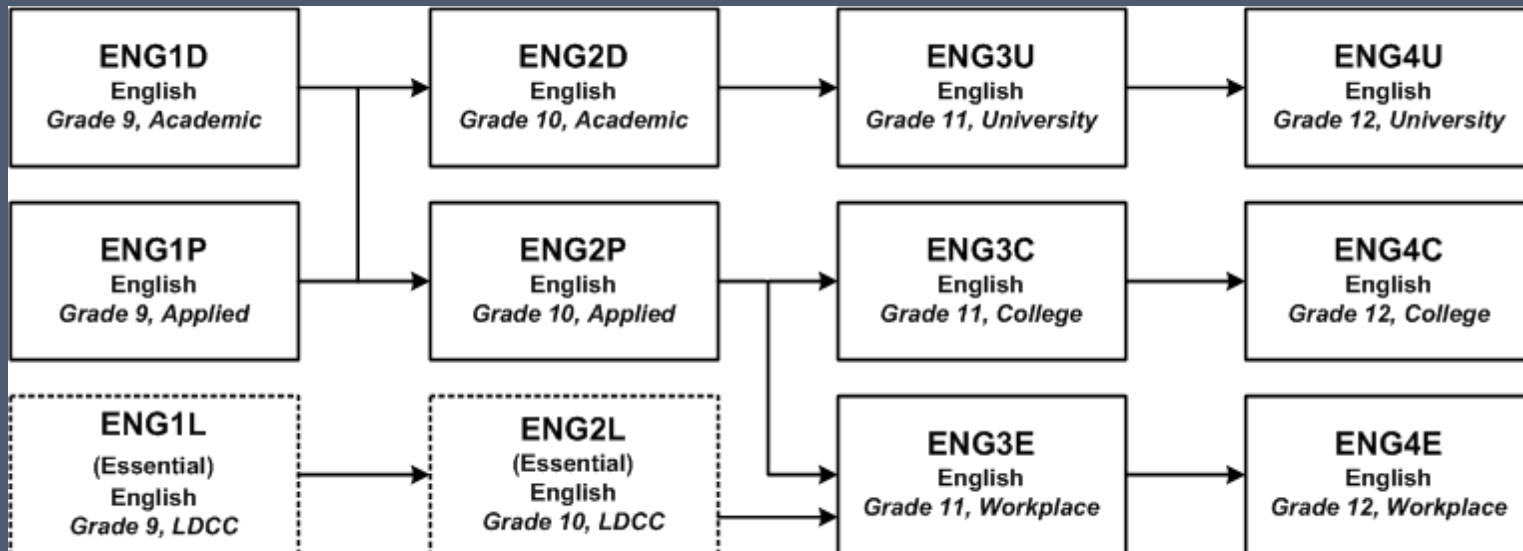

Making the Choice...

- Select courses in collaboration with grade 8 teachers and high school guidance counsellors
- Students should do an honest self-assessment, matching their ability with their interests and aptitudes

Remember that initial decisions made in grade 8 are not necessarily final decisions. There are many pathways to the destination your child dreams of!

ENGLISH

Prerequisite charts like this one can be found on the YRDSB website. They can help you track which grade 9 courses lead to which grade 12 destination courses

Math Destination

- ◎ Math pathways year to year
 - Grade 9, 10 Locally Developed, Applied, Academic
 - Grade 11 Workplace, College, Mixed, University
 - Grade 12 Workplace, College, University
- ◎ students and parents should consider skills and understandings as well as interests, both current and future when choosing a math course.

Grade 9 Academic

- ⦿ Students are comfortable exploring mathematical ideas with both a hands-on approach and an abstract approach
- ⦿ have a good understanding of integers, fractions and proportional reasoning
- ⦿ Well-developed learning skills
- ⦿ Working on grade 8 material

Grade 9 Applied

- Students are more concrete in their thinking
- learn best in a smaller learning environment
- require more practice with algebra and problem solving skills before taking other math courses
- developing their learning skills
- Working on the grade 8 material
- **Taking applied math does NOT close doors to University!**

Grade 9 Locally Developed

- ⦿ Students are working on a modified program
- ⦿ Students need to review skills from previous grades
- ⦿ emerging learning skills
- ⦿ transferred to Grade 9
- ⦿ have gaps in their knowledge of mathematics

UP Math

- ◎ Unlimited Potential (UP) Math is a grade 9 learning strategies course with an emphasis on mathematics
- ◎ The course is designed to run in first semester to help students build **confidence, leadership skills**, and a **growth mindset** in math

UP Math

- In second year of a pilot program
- It is for students who would benefit from **reinforcement** of essential skills
 - Not a gap or prep filling course
 - Students need to be working at the grade 8 level of mathematics
 - Students would take UP Math semester one and 9P math second semester
- Students need to be recommended by their grade 8 teacher
- Reinforcing concepts of mathematics along with organization skills, perseverance and growth mindset towards learning

Math Supports at KHS

- Senior tutors in classes
- Homework club in the library Monday - Thursday
- TVO Homework Help for 7 – 10
(www.homeworkhelp.ilc.org)
 - Free online homework help 5 days a week
- Individual teacher help
 - in class, lunch, before or after school
- Student Success math teacher
- After school numeracy programs (Grade 9 and 10)
 - Reinforces concepts learned in class and offers extra support

Description

This course is designed to develop the key oral communication, reading, writing, and media literacy skills students need for success in secondary school and daily life. Students will read, interpret, and create a variety of informational, literary, and graphic texts. An important focus will be on identifying and using appropriate strategies and processes to improve students' comprehension of texts and to help them communicate clearly and effectively. The course is intended to prepare students for the Grade 10 applied English course, which leads to college or workplace preparation courses in Grades 11 and 12.

► This student has completed their course selections and is ready to “Submit”

► A course can be deleted by clicking on the course code and selecting the “Delete Course” button on the pop up screen.

- A blue “Warning” dot means there is an *Advisor Note* for the course
- Hovering the cursor over the dot will give you a text box with an explanation
- Should a red “Issue” dot appear, the student will not be able to “Submit”

- ▶ Clicking on the “Submit” button will first produce a warning that once submitted, the selection will be locked in and no more changes can take place
- ▶ If the student agrees, a “Course Selection Sign Off Sheet” is created and must be printed at that time
- ▶ This form is distinguished by its unique bar code
