Destination: University – Why?

- **The job requires a degree**
- **Compatible learning style**
- **A required step towards another goal**
- **Unsure of final destination, but it leaves the doors open**
- **May improve chances of promotion in any occupation**

*Requires an OSSD, including 6 Grade 12 "U" or "M" type courses.
ENG4U is required plus any specific subject prerequisites*

Destination: College – Why?

- **Certain occupations specifically require a college certificate or diploma**
- **Compatible learning style/ more experiential**
- **Quicker, less expensive route to the workplace**
- **An alternate route to a final destination**
- **Degrees are now available at most of the colleges**

*Requires an OSSD, including ENG4C or ENG4U plus any specific subject prerequisites
(OR 6 Grade 12 "U" or "M" type courses for the degree programs)*

Destination: Apprenticeship – Why?

- **Occupation without borders**
- **Earn while learning**
- **Demand for skilled trades is high**
- **Compatible learning style**
- **Entrepreneurship opportunities**
- **Combine college education with hands-on learning and earn at the same time**

Usually requires an OSSD

(Specific courses and skills depend on the occupation – workplace courses usually accepted)

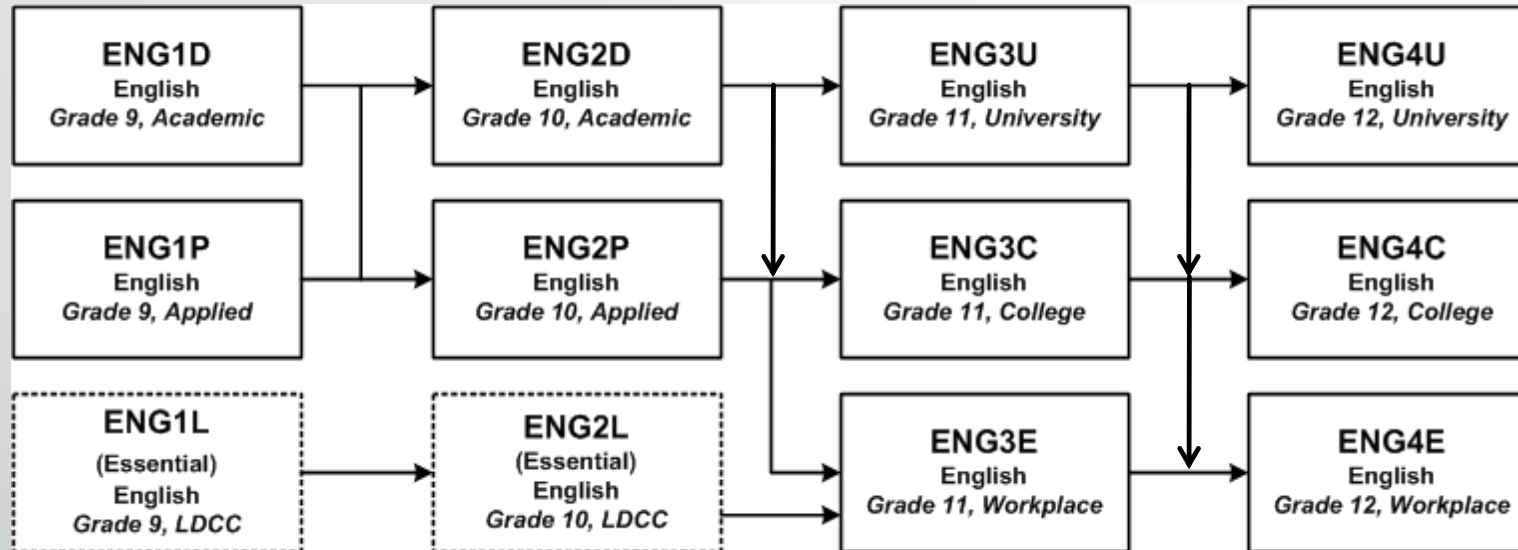

Keep in mind...

Pathways are changeable and flexible.

As interests, skills and aptitudes develop and mature, there will be many opportunities for students to re-chart their journey during high school.

Multiple opportunities for transferability between colleges and universities exist.

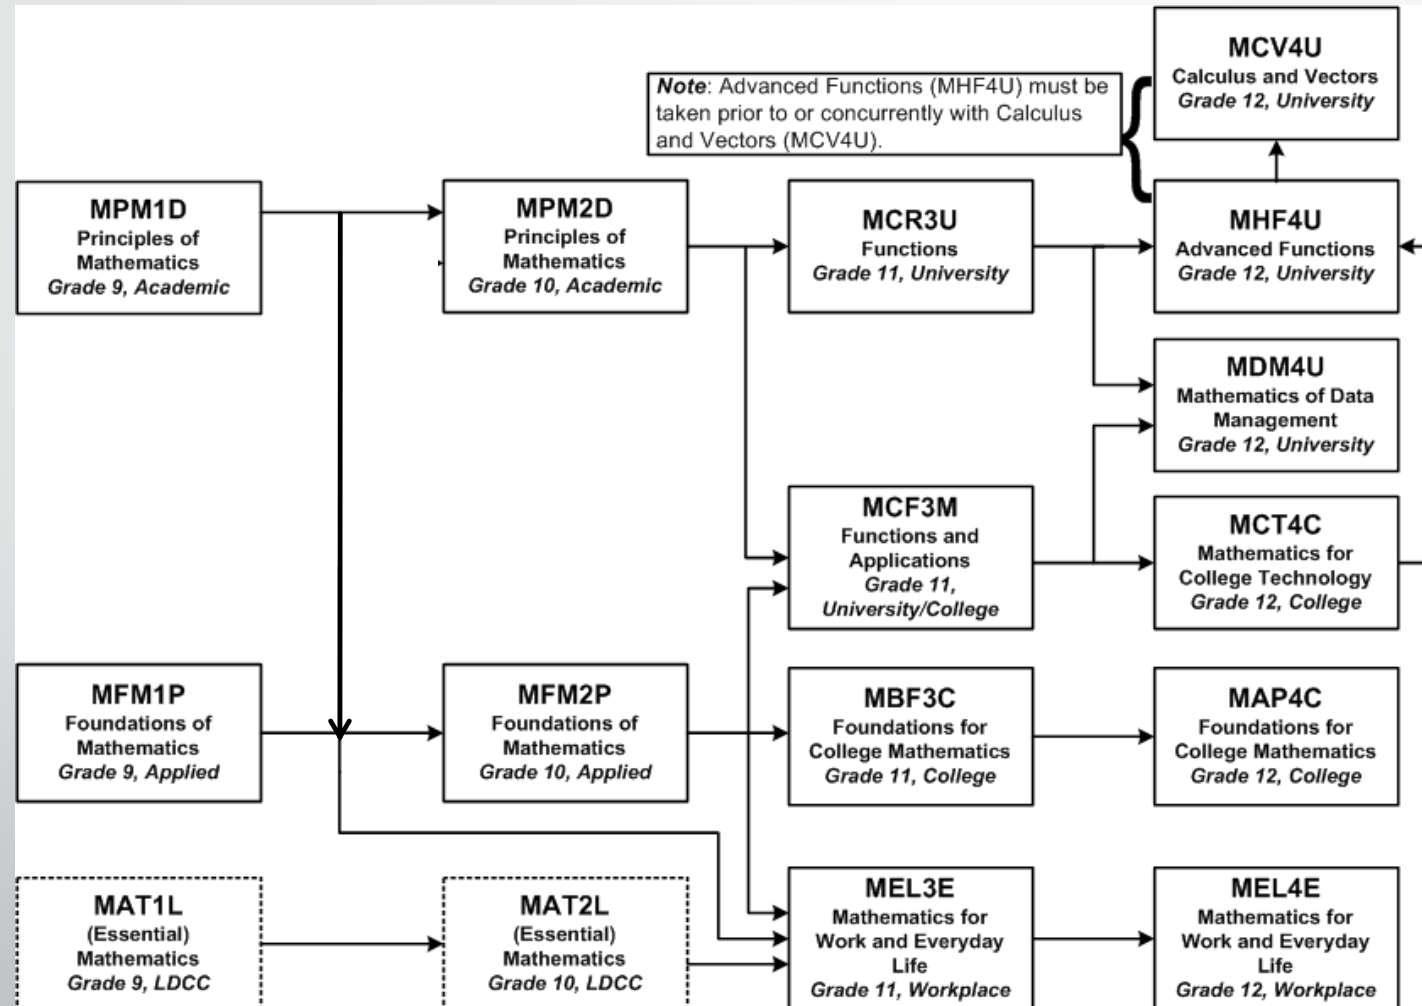

Charts – English

Charts like these are on the board's website so that you can track which grade 9 courses lead to which grade 12 destination courses.

Math

Some charts are more complex and must be given careful consideration each time students are choosing courses

Ontario Secondary School Literacy Requirement

Choosing Grade 12 courses!

- If you are not University bound, you **DO NOT** need to take grade 12 courses in grade 12!
- Colleges accept SENIOR credits for admission
- Beware the “M” type course in grade 12. It may not be appropriate unless you are university bound or it relates to your interests/career choice.
- College and/or Workplace bound students should consider taking additional grade 11 credits from the vast selection available

Course List

- ENG₄C₁

SPC₄C₁ HZB₃M₁

Other courses not offered for 2020/21 that will be offered in 2021/22 are:

BTT ₁ O ₁	CLU ₄ U ₁	EW C ₄ U ₁
HZB ₃ M ₁	PSK ₄ U ₁	SES ₄ U ₁

4 Years Or 34 Credits

- Promote high school completion in 4 years
- Take as many credits as you want in 4 years (repeated credits do not count)
- After 4 years a maximum of 34 credits (repeated credits count as additional credits)
- ESL credits are not counted
- Students with IEPs are exempt
- Any # of credits can be taken outside of Secondary day school

BEFORE submitting have you considered:

- Courses that will get us the best results?
- Pre-requisites?
- Changing course types/ grade levels to find suitable selections?
- Changing Pathways?
- Participation in innovative program options (PAE, Co-op, SHSM, OYAP, Dual Credit)?
- Teacher/Guidance recommendations?

- ▶ When all boxes including alternates have been filled, you need to Review Course Selections
- ▶ A course highlighted in red indicates that the prerequisite is missing
- ▶ You will receive an ALERT and be unable to review your course selections until this is corrected
- ▶ Click on the small dots, to edit, change or delete the course, then you may choose again to correct the error.

The screenshot shows a course selection interface with a progress bar at the top indicating three steps: Step 1 (Add Courses), Step 2 (Review Courses), and Step 3 (Submit Courses). A 'Review Course Selections' button is located in the top right corner. Below the progress bar is a table with four columns representing different grade levels: Grade 9 (Current Year), Grade 10 (Next Year), Grade 11 (Plan Ahead), and Grade 12 (Plan Ahead). The Grade 10 column is highlighted in blue. Within the Grade 10 column, the 'Principles of Mathematics' course (MPM2D1 • 1 Credit) is highlighted in red, indicating a missing prerequisite. A small red circle with an exclamation mark is visible next to this course. To the right of the Grade 10 column, the Grade 11 and Grade 12 columns show available courses with a plus sign icon next to each course name. Arrows from the text instructions point to the 'Review Course Selections' button and the red-highlighted course.

Timelines

- **Jan. 31st** is the last date for submitting a request for a school transfer.
- **Feb. 4 - 7** are the grade specific assemblies to give students the information they need to access their personal portfolios and begin planning courses.
- The “High School Plan” function is being updated at this time, however students wanting guidance appointments to discuss their plans should do so soon.
- The “Submit” button will not be active until **Feb. 12th** to ensure that students have time to research and plan without accidentally “locking in” their courses.
- When the “Submit” button becomes active. Ensure that courses have been chosen carefully and that the “Course Selection Sign Off Sheet” is printed and handed in to the period 1 teacher by the due date.
