

KPS is excited to offer the final instalment of our

## **Parents Reaching Out Grant**

### **RespectED: Violence Prevention**

**May 27, 2014 at 6:30pm**

Through this free work shop, Brian Smockum will teach us some of the tools needed to:

- Identify the bully & the bullied and where to find help
- What you need to know about cyber bullying
- The importance of healthy relationships
- Building family teamwork
- Creating a positive learning environment

Come and ask your own questions. Find current and relevant information for families with children from grade 1- 8.

Brian Smockum served as School Administrator with the YRDSB for 17 years and has been teaching and empowering families and youth with RespectED training and violence prevention for over 6 years.

To find more information on this program, visit [www.redcross.ca](http://www.redcross.ca)

This workshop is free of charge.

Light refreshments will be served and childminding will be provided
