Please stay tuned for further information and details for all of these things!

Concerned about your child's emotional well-being?

If you are concerned about your child's emotional well-being, we encourage you to reach out to your child's teacher or school. You can find [tips on how to speak to your child about COVID-19 on our website](#) as well as [mental health supports](#). Families can also access a variety of resources, including supports using online tools at www2.yrdsb.ca/family-resources.

YRDSB Student and Family Surveys – Deadline Extended

If you have not yet filled out the YRDSB Surveys for Students and Families, there's still time to do so.

As previously communicated, the Board is currently conducting two surveys to collect feedback from families (Grades K-12) and students (Grades 7-12) to understand their experiences of learning during this school year. The Board will be extending the deadline to complete the survey until **June 29, 2021**.

Students in Grade 7-12 have received an email to their school GAPPS accounts with an invite and link to the Student Survey. Families of students in Grade K-12 have been sent an email with an invitation and link to the Family Survey to the email address on file with our school. If you have not received the email, and would like to participate in the Family Survey, please email research.services@yrdsb.ca.

Translated versions of the Family Survey and the parent information letter are available in the following languages and are available for review on the Board website.

Kindergarten Registration

Kindergarten **registration for the 2021-22 school year is underway**. Children who turn four or five years old during 2021, live within the school boundary and whose parents/guardians are public school tax supporters will be eligible to register for Kindergarten.

There are several ways you can register for Kindergarten:

- **Online** - Families can access the online Kindergarten registration information at www.yrdsb.ca/kindergarten. It is recommended that families use a laptop or a desktop, rather than a mobile device to complete this registration.
- **By email** - Families can download the [Elementary School Registration Form](#) at www.yrdsb.ca/Kindergarten and email the completed form to their school email address. Email addresses can be found on the [school website](#).
- **By phone** - Families can request support from the school Principal/Vice-Principal to complete the registration form on their behalf by collecting the required information by phone. Families can request an interpreter, if needed, during this phone conversation. Call your local school.
- **By mail or appointment**. You can mail completed applications to the school, or request an appointment to drop-off your completed paper application form. Families are asked to follow all school COVID-19 protocols while on site. All permitted visitors must wear a mask.

Please note, at this time, under our [health and safety protocols](#), we cannot accept walk-in registrations.

Once you have completed your application, the school will contact you to make an appointment to review and verify the [required documents](#).

Our Kindergarten programs are caring and welcoming where children learn through exploration, play and inquiry. You can learn more at www.yrdsb.ca/Kindergarten. We look forward to welcoming our new students and families to the school.
