Dear Kettleby Families,

As part of a partnership between YRDSB and Renewed Computer Technology (RCT), families with children enrolled in our Board have the opportunity to purchase quality refurbished computers at a reduced cost.

Applicants must live in Ontario, have a student enrolled at the school and either receive government assistance payments or qualify as a limited income earner under the limited income cut-off standards*.

Below is a limited income grid for your reference.

Family size	Annual income*
2 people	\$30,286
3 people	\$37,234
4 people	\$45,206
5 people	\$51,272
6 people	\$57,286
7 people +	\$64,381

This year, there are two purchasing options, however, laptops will not be available at this time. There are two different desktop computers available for \$60 and \$200, including software, a two-year hardware and labour depot warranty, and delivery to your home. Please see the attached flyer for a full list of device specifications. Parents and legal guardians may apply for one computer per student, with a limit of two per household.

If you are interested in applying, please complete an online application at www.rcto.ca/outreach using the group code on the attached program flyer. The application period will remain open for the entire school year and orders will be fulfilled on an ongoing basis.
