Every Student Counts Survey

In November 2018, York Region District School Board will invite all students to participate in the **Every Student Counts Survey (ESCS)**. The purpose of this census survey is to better understand YRDSB's diverse student population as well as students' experiences in school and outside of school. Families with a child in Kindergarten to Grade 6 will be invited to complete the survey online with their child at home. Students in Grades 7-12 will be invited to complete the survey online during class time. If you are a parent/guardian of child(ren) in Grades 7-12 and do **not** want them to participate in the survey, please contact CCI Research at 1-866-450-4907 **no later than October 9, 2018**.

The surveys are voluntary and confidential. Information about the surveys and the process is available at www.yrdsb.ca/escs. This important initiative will help us work together to create equitable and inclusive school environments.

School News

ROC King is this week!

On last Thursday afternoon Grade 9 students met with the mentors to gather information regarding this week's ROC King event.

Students Attending ROC King at Camp Wanakita:

Students were sent home with a pamphlet outlining information regarding a packing list. Please review this information with your student, and ensure that all items are included in your child's bag. We will be outside for 12+ hours per day, regardless of weather. Packing appropriately is essential

Students attending ROC King at Camp Wanakita will meet in Gym 1/2 at the beginning of the day on Wednesday. Bus numbers will be posted on the walls of the gym and students should place their bags in the area designated for their bus. Please ensure all bags are labelled with the tags provided at our meeting last week..

While there is no need for students to be early on Wednesday, it is essential that all students arrive on time, as the buses will be loaded and will depart promptly.

Students Attending ROC King at School:

Students attending ROC King at school will meet their mentors in the MPR at the beginning of the day on Wednesday. They will depart promptly for Cold Creek Conservation Area. Please ensure all necessary paperwork has been completed for your child to attend the trip. Dress appropriately for the weather as the day is centered around outdoor activity.

As a reminder, students participating in ROC King at school are expected to be in attendance for the three full school days. Important expectations from the "Creating Pathways to Success" curriculum will be covered.

Grade 10+ Students in Grade 9 Courses:

Students who are not in Grade 9 but are enrolled in Grade 9 courses will attend study hall in the library during the period in which their Grade 9 course would normally run. Students with IEPs will work in room 101. Students are expected to work on materials provided to complete during this time. Any additional time can be used to complete work from other classes.
