Course Selection

Course selection materials have been distributed to students in homeroom classes. As part of our grade assemblies on Thursday, guidance presented to students information necessary to make their course selections. Students are required to use [my blueprint](#) to select courses. Students can begin locking in their selections on Wednesday February 12. Students are to make their selections online and then bring to school a copy of their selections printed from [my blueprint](#) that has been signed by a parent/guardian.

Course selection is due on Monday, February 24.

The selections made by students are the basis for the timetable for the 2020-2021 school year, so students should carefully consider which courses they wish to select. Students are encouraged to research possible post-secondary destinations, including prerequisites, and plan their course selection accordingly. It is important to remember that course changes are not always possible after course selection. Choose once and choose wisely!

Donations for Maple's Closet

Maple High School is proud to be hosting the 14th annual Maple's Closet Diva and GQ Balls events in the spring of 2020. Maple's Closet has helped provide graduation attire to over 650 grade 8 and 12 students. The objective is to provide a graduation dress, suit and accessories to every York Region student in need. We accept donations of gently used formal wear and accessories for the event. We are in need of the following items:

- Prom / Graduation dresses
- Purses / Clutches
- Jewelry
- Dress pants
- Ties
- Shoes (Men & Women)
- Toiletry / Make-Up bags
- Suits (Boys and Men)
- Shirts
- Belts

Donations can be dropped off at the KCSS main office.

Immunization Letters and Clinic

Parents of some grade 11 students have received letters from York Region Public Health about required immunizations. Parents with questions, concerns or proof of immunization should contact public health directly at 1-877-464-9675, ext. 73456.

King City Secondary will be hosting an immunization clinic on February 14th for our students who received letters. Students can receive their immunizations at that time and public health will be able to update their records on the spot.
