Developmental Services Ontario

Would you like more information about the DSO- Developmental Services Ontario ?

Please Follow [this link](#) for more information -

Learn about Developmental Services Ontario (DSO) and see if your child will be eligible for adult developmental services. By starting the application process early, as early as 16 years of age, you may be able to avoid service delays when they turn 18. DSO will help you determine the supports that are available in your area and that may meet your child's needs when they turn 18.

This session will consist of:

- **Accessing adult Developmental Services and Supports**
- **Key Elements and Functions of DSO**
- **Review Eligibility Criteria**
- **Application Process**
- **How to Connect with DSO CER**

Zoom link will be provided the day before the info session. This session is for families in the York, Durham, Simcoe, Kawartha Lakes, Northumberland, Haliburton, and Peterborough regions.

Attending Centennial College in the Fall?: Prepsmart

PrepSmart is designed to cater students who need accessible learning support. (e.g. IEP students)

There will be keynote workshops and topical workshops that help ease their transition from secondary education to post-secondary education.

Our college’s Centre for Accessible Learning and Counselling Services (CALCS) will be the lead on this.

I want to point out that since this year is going to be our first time running this event virtually, to cater to school boards’ different needs, we have 2 options for the teachers, students, and parents to join: (just pick 1 of the 2, we will send registrant with both zoom links)

- **Wednesday, March 31 @ 12:00 p.m. – 1:00 p.m.**
- **Wednesday, April 7 @ 7:00 p.m. – 8:00 p.m.**

If interested, please sign up using this [registration link](#):

Once signed up, the email addresses you sign up for will immediately receive an auto-response with all the detailed info.

Please kindly spread the words out to your local schools/contacts. From my understanding, we set no cap to these virtual workshops.

Please also note:

- There are some additional “On-Demand Content” after they sign up, they are short 1-2 minute clips to prepare the students before the event.

- The prizes they could win, I think will be mailed to the students, will follow up with you about their mailing addresses if that is to happen.
