Can You Spot our Turtles?

Did you know our school has a small pond with turtles and fish? Our turtles were spotted this week, for the first time in 2021, enjoying the sun. We hope everyone in our community had a chance to enjoy the nice weather this week. Going outside is a great way to get some self care. It is very important we all take some time for our well being. So be like our turtles!

Support for Nutrition Available

Through donations and funding provided for student nutrition, our school is able to help individual families in our school community with support for nutrition. If your family is currently experiencing financial hardship please contact the school by Thursday, April 1st.

Summer Jobs at the School Board

Students seeking summer employment should check the [Board's website](#) to view job postings for Summer Student Opportunities. Students are required to submit an online application through Apply to Education to Human Resource Services, which includes: 1. Cover letter (indicating the type of position they are seeking and the period of time they will be available to work during the summer period); 2. Résumé; and 3. Completion of job posting screening questions. More information will be posted at the link above when jobs become available.

- Mid semester break begins

Friday, April 16th

- Mid semester break ends

Tuesday, April 27

- Electronic Report Card distribution begins

Monday, May 3rd

- Rotation 2 starts (cohort A)

Green Team: Earth Hour Reminder

Earth Hour is on March 27, from 8:30 p.m. to 9:30 p.m. Every year, at 8:30 pm on the last Saturday of March, millions of people across the world join in raising awareness of the issues facing our planet. Earth Hour is more than just an hour for the planet - it's a movement for *our future*. It's more than just a symbol of support - it's a catalyst for urgent change.

According to Hydro One, last year's "Earth Hour" resulted in a direct power savings for the province of Ontario of 202 megawatts – or enough to power the city of Belleville, Ontario. That also translates to just over 140 metric tons of carbon dioxide being released (or not) into our atmosphere. "Earth Hour helps to remind electricity consumers that small conservation acts can lead to large benefits." Although we celebrate earth hour each year, we encourage everyone to continue to reduce the amount of electricity we use on a regular basis!

Benefits of PCMH Support Group:

- meet other parents with children who have similar challenges
 - find encouragement and emotional support
- learn strategies to help your child or youth at home/school
 - learn how to access resources in the community

PCMH is the only provincial, family-led, non-profit organization that provides a voice for families who face the challenges of child and youth mental health issues. PCMH provides support, education, and linkage between families, communities, agencies and government. PCMH believes in the promotion of family-centred principles of care. PCMH envisions a future in which children and youth with mental illness enjoy a high quality of life in welcoming and supportive communities. For more information and resources, please visit www.pcmh.ca.

Monday, May 10th Topic Community Resources 6:30 – 8 pm
Monday, June 21st Building Healthy Relationships 6:30 – 8 pm

Are you driven?
