News from Outdoor Education

Outdoor Education class started the semester off with a team building overnight last week at YMCA Cedar Glen in Nobleton. This class is known for its challenging and fun adventures in the great outdoors. Participants had the opportunity to engage in various activities such as the high ropes course and other team-building exercises.

The Outdoor Education class are all hoping for continued snow so that they can apply their growing win-tering and collaborative capacity on a winter camp out next week in Quinzees!

The KCSS Nordic cross country ski race team captured the overall YRAA Team Championship at race last week at Highlands Nordic. The team looks forward to seeing the first YRAA champions this season.

Ten of the KCSS Nordic skiers will be representing KCSS this week at the OFSAA Provincial Championship in Sudbury. Justine Baird, Adam Miller, Josh Longa and Christian Dinunzio to the top team placing in YRAA. Adrian Farano was the third Junior boy in YRAA leading the KCSS junior boys team of Pascal, Cayley, Fermat Math Contests.

Social Media Fitness

Welcome to Social Media Fitness! A program that’s beneficial to both your physical and mental health. This program will help you understand the impact of social media on your physical health and mental well-being.

Please encourage others in our school community to assist in this fundraising initiative. Purchase gift cards and a percentage is directed to KCSS.

Social Media Fitness

School Council Dates 2017

As part of our regularly scheduled School Council meeting, Chris Vollum will present to parents on February 21st in the library. Parents and guardians are invited to attend and encouraged to bring their GAPPS email for the results. If they have any questions Mrs. Jim Streb may be reached.

A Message from the Library

The library is purchasing more books. If students have any requests please have them come down to the library and fill out a suggestion slip. The library is open during the lunch hour on Tuesday through to Friday.

Course Selection for the 2018-19 Course Selections Due

All students planning to re-consider which courses they wish to select. For assistance. The selections made by students are the basis for the timetable for the 2018-19 school year, so students should carefully consider which courses they wish to select. The computer lab in Room 110 will be open during the lunch break.

Messages from the Guidance Department

The computer lab in Room 110 will be open during the lunch break. Guidance will also be available for assistance. The selections made by students are the basis for the timetable for the 2018-19 school year, so students should carefully consider which courses they wish to select. The computer lab in Room 110 will be open during the lunch break.

A Message from the Literacy Teacher

The computer lab in Room 110 will be open during the lunch break. Guidance will also be available for assistance. The selections made by students are the basis for the timetable for the 2018-19 school year, so students should carefully consider which courses they wish to select. The computer lab in Room 110 will be open during the lunch break.
