EXAMS POSTPONED DUE TO INCLEMENT WEATHER CONDITIONS WILL BE WRITTEN ON JANUARY 31, 2019, along with performance and practical exams by appointment and Grade 9, 10, 11 credit salvaging as arranged with the classroom teacher.
Information on School Bus Cancellation

To ensure the safety of students, school bus service may be cancelled due to inclement weather, extreme temperatures and/or poor road conditions. In these cases, parents and students should develop alternate care/transportation arrangements.

Cancellation decisions will only be made after thorough consultation with the Safety Officers of school bus companies servicing York Region and are based on several factors including precipitation, air temperature, road conditions and weather forecast.

Please note the following:

- A decision to cancel school bus service will be region-wide meaning all school buses, vans and taxis will not operate. Both the YRDSB and YCDSB operate many regional educational programs. Students attending these programs are transported over large attendance areas encompassing several municipal boundaries which prevents the ability to cancel bus service using a municipality or zone methodology.
- When bus service is cancelled all school tests and/or examinations will be cancelled and rescheduled.
- Student trips involving the use of school buses will also be cancelled.
- Unless otherwise stated, schools will remain open and parents can make arrangements to transport their children to and from school even if school bus service is cancelled. **If buses are cancelled in the morning, they will not operate in the afternoon. Therefore students transported to school by parents will require the same transportation home.**

A bus cancellation message will be available at www.schoolbuscity.com, by calling 1-877-330-3001, or by following @YRDSB and @YCDSB on Twitter.
