Take Our Kids to Work Day - Wednesday, November 14

On Monday, grade 9 students received in their first period class a package for Take Our Kids to Work (TOKW) Day. TOKW is a national initiative that provides our grade 9 students with the opportunity to observe a work environment for one day. As suggested by the Premier’s Highly Skilled Workforce Expert Panel Report, the program will support students to begin planning their future career path by helping them better understand the world of work. On Wednesday, November 14, 2018, students will spend the day at the workplace of a parent, relative or family friend learning basic workplace skills.

Please have your child return the completed form to their first period teacher by November 6, 2018. In the case of lost or misplaced forms a pdf version of the package is available here.

Semi-Formal Dinner and Dance
Thursday, November 22

The Semi-Formal dinner and dance is quickly approaching, and King City Secondary School staff and Students’ Council organizers are pleased to celebrate this occasion with students on Thursday November 22, 2018 at Le Jardin Event Centre (8440 Hwy 27, Woodbridge). The event will begin at 6:00 p.m. and end at 11:00 p.m.; students will not be admitted after 6:45 pm. As the Semi-Formal is a school-sponsored event, the school’s code of conduct, YRDSB Caring & Safe Schools Policy and all rules and procedures are in effect during the dance.

This year the tickets will be sold on School Cash Online. Once purchased through School Cash Online, students can pick up their Semi-Formal ticket in front of the cafeteria starting on Tuesday November 6. In order for your student to pick up their semi formal ticket, they MUST bring in a signed copy of the permission form that has been provided to students (or can be found at here).

FLU SEASON IS HERE

Get the flu shot as early as possible

The first and best step to preventing the flu (or influenza), is to get the flu shot every year. The flu spreads quickly and easily from an infected person to others and anyone can get it. Getting the flu shot can protect you, your family and those around you.

Students may be at higher risk of getting the flu as they come together in close public spaces including the classroom, gymnasium, cafeteria and library.

The flu shot is especially important for students who have a chronic condition (e.g. asthma, diabetes) or those who live with or have close contact with a pregnant woman, kids less than five years old, or a resident of a nursing home or other chronic care facility since these groups are at higher risk of getting very sick or being hospitalized because of the flu.

Flu shots are free and are readily available at:

- Health care provider’s offices for people six months of age and older
- Participating pharmacies, for people five years of age and older

In addition to getting the flu shot annually, here are some other health tips that can help prevent the spread of the flu:

- Wash your hands well and often with either soap and water or alcohol based hand rub
- Cover your mouth and nose when you cough or sneeze (if you do not have a tissue, cough into your upper sleeve)
- Avoid touching your eyes, nose and mouth
- Stay home when you’re sick
- Clean and disinfect surfaces and shared items

It’s important to get the flu shot as early as possible as it can take nearly two weeks for the influenza vaccine to take full effect.
