Additional Vaping Resources

Acknowledging the growing issue of vaping in our schools and the health risks associated with e-cigarettes and vaping, the YRDSB has developed the **Substance Misuse Webinar: Vaping** in collaboration with York Region Public Health. By the end of this webinar, you'll have learned valuable information about:

- e-cigarettes, also known as vapes
- e-juice and what it is made of
- the safety concerns associated with vaping
- how to discuss this substance with children.

We invite you to watch this webinar at our next school council meeting on November 20th at 7 pm, or on our [YRDSB YouTube Channel](#). Please keep in mind that this webinar is not intended for use with students.

Due to the sensitive nature of these topics, if you or someone you know requires assistance, please remember that the following supports are available:

- York Support Services Network (1-855-310-COPE)
- Kids Help Phone (1-800-668-6868)

This is an addition to the [Substance Misuse Webinar Series](#), created by YRDSB with our community partners. In this series, you can learn about:

- [York Region Public Health](#): Alcohol and Cannabis, 6 Tips for Families/Staff
- [Addictions Services of York Region](#): Opioids and Prescription Drugs, YRDSB Drug and Alcohol Continuum
- [YouthSpeak](#): Lived Experience of Former Substance Misusers and Impacted Family Members
- [York Regional Police](#): Reporting Issues of Substance Misuse and the Criminal Impact of Substance Misuse, including Post-Legalization of Cannabis

For more details on what you can do to prevent student substance misuse, please visit the [YRDSB's Caring and Safe Schools](#) website and [Vaping and E-Cigarettes](#) subpage for resources to continue the conversation.

Thank you for supporting our safe, positive and inclusive school community.

What you need to know as a parent about student accident insurance?

Accidents can and do happen. Families can spend thousands of dollars if their children are injured at school, on field trips, while participating in extra-curricular activities, or at home. If a student is injured, parent(s)/guardian(s) are responsible for any costs not covered by a government health insurance plan or their employer's health care plan. This leaves the parent/guardian financially responsible for these unexpected expenses.

While the York Region District School Board does not provide student accident insurance, it has arranged voluntary insurance plans through Old Republic Insurance Company of Canada's insuremykids® program. These plans are available to families of all students attending the York Region District School Board. It is recommended that you consider purchasing a student accident insurance plan.

Insuremykids® student accident insurance offers three plans with a variety of benefits at affordable rates – the most affordable plan is available for as little as \$13.00 per year for 24 hours a day, 7 days a week coverage. The most popular plan is the Platinum at \$33 per year and it includes out of province emergency medical coverage and travel benefits. Family rates are available for three or more children in the same family, even if attending different schools.

Plans provide coverage for a wide range of expenses, including:

- **Dental expenses**, includes 10 years unlimited dental benefit coverage, future dental up to \$1,650 per tooth, and injury related orthodontia coverage up to \$2,500 per accident.
- **Total and permanent disability**, up to \$350,000
- **Loss of limb/loss of use**
- **Accidental death**
- **Ambulance fees and more...**
