

Community Action Program for Children York Region

Seamless Transitions

Seamless Transitions is an interactive parent-child program via Zoom for children who are entering Junior Kindergarten in September 2021.

This is a six-week program that focuses on nurturing the four fundamentals; Belonging, Well-being, Expression and Engagement that children organically pursue which support optimal learning and a healthy environment.

CAPC Educators will support children and their families virtually by providing activities, resources and tips on how to support your child's transition to school. Seamless Transitions will provide you with a chance to observe and take part in their children's play-based learning with the intent of creating a common language and learning between home and school.
