5. Click “Add Course” when you find the course you want. It is important that you add the course even if it is a compulsory credit. You will need to choose 8 courses plus add 3 alternates.

6. The **Graduation Indicator** will help you keep track of your progress towards graduation. Click “View Progress” for a list of specific graduation requirements.

Open the “Options” menu and select “Change Graduation Requirements”. Check that the appropriate option has been selected.

- When you are ready to submit your course selections, click the blue **“Review Course Selections”** button.

If you are not attending a YRDSB school next year, click on the **“Not returning next year?”** button at the top of your **High School Progress** box. Select the option that best suits your pathway, then press **“Confirm”**.

Be sure to click the **“Send Approval Email”** button and enter a parent/guardian email address (see step #9 below).

- Once you have carefully checked the **Review Courses** page to ensure that the courses which appear are correct, click on **“Submit Course Selections”**.

This will only be possible while the course selection window is open.

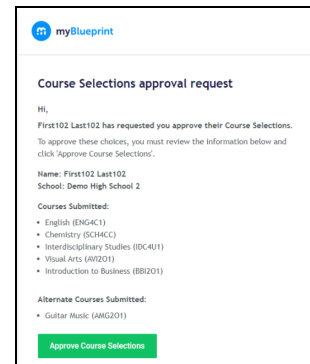

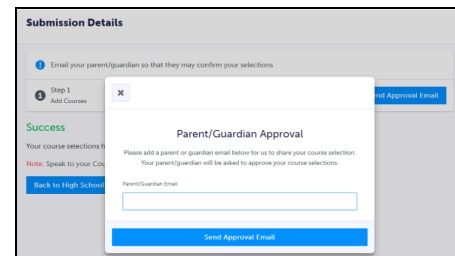

You will **not** be able to modify your course selections once submitted.

- Approval requests to a parent/guardian
In myBlueprint, once students submit their courses they are prompted with a **Send Approval Email** option. Once clicked, a parent or guardian's email address can be added.

Note: A parent/ guardian email must be submitted in order for course selection to be complete.

- After entering an email address and clicking **Send Approval Email**, the parent/guardian receives a course selection approval request email.
- In the course selection approval request email, the parent/guardian has the option to **Approve or Reject** the student's selections by clicking a button or link in the email.

- After submitting your course selections, you will receive a **Success** notification.
- You will receive a confirmation of your course selections after the March Break.

ALL DONE!
