Elective Courses

BUILDING THE ENTREPRENEURIAL MINDSET

BEM 101

In this course, students will learn what makes an entrepreneur thrive and the skills required to succeed in today's business environment. Students will begin to develop their own entrepreneurial mindset, and learn why it's important to take initiative, adapt to change, find creative solutions, and understand the financial considerations of entrepreneurship. This hands-on course will use business software and applications to help students plan and develop their entrepreneurial ideas and learn how to present them to a target audience. Throughout the course, students will enhance their communications skills as well as develop and refine their project management skills, including goal setting, time management, and networking.

DRAMA

ADA 101

This course provides opportunities for students to explore dramatic forms and techniques, using material from a wide range of sources and cultures. Students will use the elements of drama to examine situations that are relative to their lives. Students will create, perform, discuss, analyze drama, and then reflect on the experiences to develop an understanding of themselves, the art form, and the world around them.

French Immersion students can also take Grade 10 Drama in French in Grade 10 - ADA20F.

EXPLORING COMMUNICATION TECHNOLOGIES

TGJ 101

This exploratory course introduces students to concepts and skills in communications technology, which encompasses television/video and movie production, radio and audio production, print and graphic communications, photography, and interactive news media and animation. Students will develop an awareness of related environmental and societal issues, and will begin to explore secondary and postsecondary pathways leading to careers in the field.
