A Message from your Administrators

Dear Langstaff Families and Community Members,

We have made it to the last month of the school year. The month of June is always welcomed with open arms and excitement, as we look ahead to the end of a school year, a wonderful graduating class, the summer months and moving on to whatever the next chapter is. This month is certainly a time to reflect on how far we have come as a school community and, what we have learned about ourselves.

June is marked by many celebrations, including the achievements and heritage of our diverse populations. Pride Week, National Indigenous History Month, Italian Heritage Month and Portuguese Heritage Month are acknowledged in schools across York Region and beyond.

June has just begun and so much is already happening. Last week our Grade 12 students danced the night away at Prom. It was a magical evening for all who attended. Congratulations to the Prom committee and Ms. Schiavone and Ms. Kanani our "Masquerade in Paris" was a huge success. Our Grade 9 students are in the midst of writing the Math EQAO assessments. Finally, we held our Student Council elections and we are very proud of the three students who have been elected to the Positions of President, Vice President – Grade 11, and Vice President – Grade 10. We will elect our Vice-President – Grade 9 in the fall when we welcome our newest Bears to the school.

Also, this week our BSA, Black Students Association, put on an amazing Socasize lunch time event. Students were able to dance away their stress to the wonderful sounds of the Caribbean. Our Wellness Wednesday activities are always well attended and greatly appreciated by the LSS students. From community walks, to colouring, to yoga, to dancing, Wellness Wednesday's lunch activities are something, to which, our students look forward to! Big thanks to the BSA for arranging our last Wellness Wednesday event of the year.

While June is well underway, we are gearing up for two major events that take place in every High School at this time; final exams and Graduation. While students are taking part in the final lessons of the 2023-2024 school year, our Graduation committee is putting the finishing touches on the milestone event. We know that both exams and Graduation are highly anticipated as they both mark the end of an era. June exams mark the end of a school year and Graduation marks the end of High School.

Wishing you all the best for the remainder of this school year.

Sincerely,

Ms. Sheri Epstein, Principal

Message from Our Trustee

June 2024

It is hard to believe we are almost at the end of another school year. I hope that this has been a great school year for you and your child, and you continue to see evidence of your child's learning and engagement at school.

As a school board, there are several things we have been focused on in recent months that I want to update you on.

Thank you to everyone who participated in the [Multi-Year Strategic Plan consultations](#). The plan sets our priorities and direction as a school board. Your input will help ensure our plan reflects both the [priorities established by the Ministry of Education](#) and the community we serve. The revised plan will be announced in the fall and I look forward to sharing those updates.

I also want to thank everyone who shared their feedback in the budget survey. Again, we want to ensure that the community has voice in these important decisions. We are committed to transparency and you can find information about the [school board budget on the board website](#) that will continue to be updated.

This is an exciting time of year as schools host end-of-year events including concerts and graduations. I want to offer my sincere congratulations to all of our students on your hard work this year, and a special congratulations to the graduating class of 2024. This is an important milestone and a celebration of years of perseverance, commitment, growth and learning. Graduates should feel proud of all they have accomplished. I wish you all the very best for the future and hope you continue to cherish the memories you have made in this school.

I also want to acknowledge all of the many ways that you support your child's learning and our public education system as family members throughout the year, whether it's helping with homework, reading communications, making sure they're out the door on time or volunteering in the school. We recognize that this is a partnership and value the relationship with families.

As we wrap up the school year and look ahead to summer, I want to remind families:

- While report cards are shared online, families can request a printed copy through the school.
- The school board offers a number of summer learning opportunities for students in [elementary](#) and [secondary](#) school.

You can also access links to [resources to support student learning](#) on the Board website to support summer learning.

I wish everyone a positive end to the school year and a safe, happy and enjoyable summer. We look forward to welcoming back returning students in the new school year.

Cindy Liang, Trustee, Richmond Hill Wards 3, 5 and 6

LANGSTAFF SS

Dear Langstaff Staff, Families and Community Members,

This year **Relay for Life** took place on **May 30th, 2024, at Langstaff SS from 12:00 pm to 9:00 pm right here on the LSS field.** Students who signed up and participated walked the track, engaged in activities such as sports on the field, Salsa dancing, henna and sparkling, hair cutting and shaving, weightlifting and spending time with friends and faculty.

We are proud to announce that we have raised over \$24,428.31 for the Canadian Cancer Society as a result of the Relay for Life event. Donations continue to come in and we hope to reach our goal before the end of the school year.

We would like to thank all the participants who raised a minimum of \$60.00. Many staff and students went to great efforts to fundraise above and beyond the minimum amount required. For each \$60.00 raised, participants received a raffle ticket to win a prize. Congratulations to all prize winners.

We would like to thank our sponsors: **Kelseys' Richmond Hill Location, Heeva Fine Foods, Studio 95 Training and Athletics, The Irsafam Institute, SilverCity Richmond Hill, GTA Superleague, Kapil Marwaha Real Estate Broker, N and N Events, Sparkulz and Agra Rodrigo for haircutting.**

Thank you to our **school's tech team, student volunteers, our administrators, our Cancer Survivors especially Mina Greenstein for being our courageous guest speaker, the Leadership class** for their planning and executing of Relay, **the parents and community** for their donations and support.

A special thank you to the **many teachers who truly reached for the stars while fundraising**, ran activities, helped with bank days, volunteered to supervise and supported this event fully.

We hope for a cure for Cancer one day but we will continue to fight as a community for our family and friends whom we've lost over the years or who are struggling with their health.

Thank you again,

Ms Burley and the Leadership Class

2024-2025 SCHOOL YEAR- DUAL CREDITS: For students who requested a Dual Credit in their course selection, please have them check their gapps email for important, time-sensitive registration information. For more details about Dual Credits, please check [here](#).

GRADUATING STUDENTS: Remember to submit your Community Involvement Hours ASAP. In order to receive the OSSD, students must earn 30 credits (18 compulsory, the OSSLT and 40 hours of community involvement). The forms along with volunteer opportunities are available/posted in Guidance, on the Guidance Google Classroom and on the YRDSB website.

SUMMER SCHOOL INFORMATION

If students have registered for summer school, they will only receive an email if their course is canceled. The first email about course cancellations went out last week. No news = good news. For in person learning, students are to show up on July 3, classes begin at 8:45am. For Online Learning, classes beginning on July 2, students will hear from their teacher a day or two before the course begins.

Please note that Langstaff does not manage summer school (other than approving registrations), specific questions should be directed to Continuing Education.

Course offerings are posted on the YRDSB website. Some details are shared on the Guidance Classroom and on Instagram. Please remind your child to print, sign and return the sign off sheet in the "Summer School" box in Guidance.

The following opportunities will be available:

Acceleration Courses (18 days)

1. Online Learning - July 2-25

Courses that are specifically designed to be taught in a fully online format. Online learning does not require pupils and teachers to be face-to-face with each other. Classes occur online using an asynchronous model, with check-in opportunities with the teacher. The learning platform is Brightspace by D2L.

Dates: Tuesday, July 2 to Thursday, July 25

Hours: Flexible (6 hours per day minimum)

Summer Jobs

Young people between the ages of 15+-30 can find new job opportunities on Canada's Job Bank website and mobile app. New jobs will continue to be added over the coming weeks. There are jobs in childcare, the hospitality sector, wildlife conservation, recreation, agriculture and more. Full time work (30-40 hours/week) for six to sixteen weeks, with the average duration being eight weeks. The Canada Summer Jobs program prioritizes projects that support youth who face barriers to employment. This includes youth with disabilities, Indigenous youth, as well as Black and other racialized youth.

Interested in travel? Parks Canada hires a large number of young people each summer to work in some "spectacular" locations across Canada. Search under Job Type: Regular Job Postings.
