### **A Message from your Administrators**

Dear Langstaff Families and Community Members:

Although the leaves are beginning to turn we are still enjoying summer weather – and we love the continuation of summer.

We are very excited that fall sports have begun and students have the opportunity to participate and get involved in their school community. Try outs for the sports teams are announced over the morning announcements. Our Cross Country Running Team, Girls Basketball, and Boys Soccer are off to a great start. We also had our Clubs Fair a couple of weeks ago and many clubs are up and running.

Our Global Bears Club will have their “Welcome Event” for our newcomer students on September 24 and on September 25; our Wellness Club will be hosting their second, weekly, lunchtime wellness event. This week students can participate in a fun art activity called “pass the canvas”.

This upcoming week is YRDSB’s Safety Week. During this week (and into next week) we have held or will be holding a practice Fire Drill, Lock Down Drill, Hold & Secure Drill, and Bomb Threat Drill. As well, all our students a Safe School’s Assembly led by LSS administration.

September 27 will also be our first Professional Activity Day. On that day, while all students will be at home enjoying a day away from school, our staff will be participating in professional learning all day. In the morning, the staff will engaging our safety compliance training. In the afternoon, we will be working on our school improvement plans for this year, and teachers will then have an opportunity to work in their departments on department planning.

With the return to fall, many of our Grade 12 students begin to think about their options, in terms of postsecondary offerings for next year. The Guidance department will be hosting an assembly on September 26 for all potential graduates. At this assembly, the grade 12 students will learn about the various pathways available to them and the applications process to both college and university. We will continue this learning for parents at our October School Council meeting on Tuesday, October 22 at 7:00 pm in the Library. Don’t worry we will have a few reminders before this date is upon us.

Thank you again for your optimism and patience. We look forward to a rewarding semester. Should you have any questions, please feel free to reach out to us in the main office. We love hearing from you!

Ms. S. Epstein

Principal

## School News

LANGSTAFF SS

Dear Langstaff SS Families,

As you may know, in 2024, the Ontario Ministry of Education introduced a directive modifying the use of personal mobile devices in classrooms. YRDSB already has [Policy and Procedure 194.0 - Appropriate Use of Technology](#) and many measures around personal mobile devices in place. The changes you may see in September will bring alignment with the new Ministry Directive. The following expectations for students' use of personal mobile devices are outlined in the revised [Provincial Code of Conduct \(PPM 128\)](#), and the York Region District School Board's Policy #668 Caring and Safe Schools.

A personal mobile device is any personal electronic device that can be used to communicate or access the internet, such as a laptop, cellphone, tablet or smart watch.

### Expectations

Students are responsible for their personal mobile device, how they use it and the consequences of not following the provincial or school board policy.

Students' personal mobile devices must be powered off or set to silent mode, except under the circumstances outlined below:

- for educational purposes, as directed by an educator
- for health and medical purposes
- to support special education needs

Students in secondary school can bring a personal mobile device to school, but will be able to use it only during non-instructional time.

### New Practices at School

If an educator sees a personal mobile device that is not turned off or set to silent mode, even after staff reminders, the student may be required to place their personal mobile device in a storage area in a location designated by the educator for the class or period.

Your child may face consequences if they use their personal mobile device inappropriately. Progressive discipline may apply and families may be notified.

### Resources:

Families play an important role in teaching children about finding a healthy balance in using technology. You may wish to access the following resources:

- Media Smarts - [Four Tips for Managing Your Kids' Screen Time](#)
- School Mental Health Ontario - [Helping Your Child Manage Digital Technology](#)
- Centre for Addiction and Mental Health - [Problem Gambling and Technology Use Treatment Services](#)

For additional information regarding Policy/Program (PPM) 128, please visit the Ministry of Education's [Cellphones and other mobile devices in schools](#) site or the York Region District School Board's website.

Thank you,

Ms. S. Epstein  
Principal.

## Secondary Interim Report Cards

In semester one, families will receive three reports including the Interim Report, Mid-Semester Report and Semester End Report. Our reports provide you information about your child's achievement throughout the first semester.

Interim reports are part of the ongoing communication from our school to support student achievement and well-being. We hope that this report will provide valuable feedback for your child while supporting conversations about learning at home. Distribution of your child's interim report card for the first semester will begin on October 15/16. These reports will be distributed using the same process used for Mid-Semester and Final Reports via student GAPS accounts.

## Health And Safety Week

The York Region School Board is committed to ensuring the safety of students, staff, and visitors in the event of an emergency situation. As such, during Safety Week (September 23 to 27, 2024) and throughout the school year, schools in our Board practise various safety drills, including Fire Drills, Lockdown Drills, Hold and Secure Drills and the newly established Bomb Threat Drill. It is critical that all members of our school community become familiar with emergency protocols as they are designed to keep all of us safe at school. Please refer to [Board Policy #669.0](#) for more information about Emergency Preparedness and Crisis Management.

Practicing drills may create some anxiety for some students. If you are concerned about how these situations might impact the mental health and well-being of your child, please contact school administrators, as we have school mental health professionals available to support your child.

LANGSTAFF SS

### Medical Health Care Forms/Allergies

If your child has a serious life-threatening allergy or medical condition, please inform the office to complete the appropriate medical forms. There are students and staff members in our school who have life-threatening allergies to nuts and other allergens. To help create an allergen-safe environment, do not bring nuts or nut products to school.

It is critical that parents and guardians share information with us about students' serious or life-threatening medical conditions or other health-related matters so that we can create fulsome Health Care Plans that help keep students safe. We encourage students, who are able, to contribute to the creation of these plans too.

Please access forms below as needed. Completed forms and medication can be placed in a sealable bag, with the student's name marked on the bag and left in the Main Office. As always, please contact us with any questions or concerns.

From the Library Learning Commons...

LANGSTAFF SS

We’ve had a great start to the 2024/2025 school year! On Sept. 3, we welcomed the Grade 9 students to the library learning commons for a short visit as they made their way around the different workshops throughout the day. We are excited to report that the library learning commons orientation sessions are now underway, the English as a Second Language (ESL) classes started this week and we will welcome back the Grade 9 classes next week. Important information about access to print and digital resources is shared with students as well as an emphasis on the importance of academic honesty while completing assignments. Through a variety of interactive activities, students explore research and writing strategies to help them develop essential skills and achieve success in all their courses.

It was a pleasure meeting some of you and welcoming you to our space at our first school council meeting of the year. If you have any questions about our program or resources, please contact us.

We look forward to welcoming all our students throughout the semester and will keep you posted on our events and activities in the library learning commons. We appreciate your continued support!

### Volunteer with the YRDSB's Indigenous and International Languages Program

The YRDSB's Indigenous Languages and International Languages (ILIL) Program is seeking secondary student volunteers to support the sites running the elementary language courses across the York Region.

Earn a minimum of 2.5 hours a week, available between weekday evenings (Tuesday, Wednesday, Thursday and Friday from 6:00 PM to 8:30 PM or Saturday mornings from 9:00 AM to 11:30 AM / 9:30 AM to 12:00PM).

By volunteering with our program, you can gain valuable experience as:

- A Classroom Volunteer who:
  - supports the students to understand the lessons and tasks
  - assists the teacher/instructor in various tasks
- An Office Volunteer who:
  - assists office administrators with collection and organization of tasks
  - supports the office staff with relaying communications
- A Hallway Volunteer who:
  - monitors for safety
  - directs students/parents/visitors to appropriate classrooms/the ILIL site office

### Ministry Of Education Survey

On May 30, 2024, the Ministry of Education announced that it would be launching consultations in fall 2024 with students, parents, job creators, educators and other stakeholders on the practical life skills students need to build a strong foundation for future success through modernized home economics education. To learn more visit [Province Introduces New High School Graduation Requirements for a Stronger Ontario Diploma](#).

The Ministry has asked school boards to assist in the promotion and collection of feedback on the practical life skills that parents, students and educators think could be included or strengthened.

The anonymous [Ministry Survey: Launch of Life Skills Consultation](#), designed by the Ministry, will take approximately 10 minutes to complete and will remain open until September 24, 2024. Administrators can share this link in their communication with families.

September 2024

Dear Families,

As part of a partnership between YRDSB and Renewed Computer Technology (RCT), families with children enrolled in our Board have the opportunity to purchase quality refurbished computers at a reduced cost. Applicants must live in Ontario, have a student enrolled at YRDSB and either receive government assistance payments or qualify as a limited income earner under the limited income cut-off standards\*.

Below is a limited income grid for your reference.

Family size	Annual income*
2 people	\$30,286
3 people	\$37,234
4 people	\$45,206
5 people	\$51,272
6 people	\$57,286
7 people +	\$64,381

This year, there are different packages available for purchase. Please reference the [online application page](#) for the current available package offerings. Please note that there are three options for delivery.

1. If you would like for the computer to be delivered directly to your home, there is a \$25 charge for laptops and a \$35 charge for desktops. Families who choose this delivery option will have their order shipped when it is ready, roughly 3 weeks from date of order.
2. If you would like the device shipped to your child's school there is a \$20 delivery charge. If you choose this shipping option, the computer will be delivered to your child's school **after** the end of the promotion period. Please indicate the name of the school on the form when selecting this option.
3. You may choose to pick up the computer from the RCT Mississauga Warehouse, for free, located at **945 Meyerside Drive, Mississauga**. Families who choose this option will have their order ready for pick up roughly 3 weeks after the date of order.

## Board News

Parents and legal guardians may apply for one computer per student, with a limit of two per household. Please see below for a full list of device specifications.

If you are interested in applying, please complete an online application at <https://www.jotform.com/210054491659255> using the group code on the attached program flyer. The application period is from September 12, 2024 – November 22, 2024 with delivery to schools taking place in December.

Please note - There are sections in the RCT Online Application that are no longer applicable:

- Requirement of Proof or Documentation of Income
- Requirement to participate in training prior to receiving your computer/laptop

The Section on Course of Study can pertain to elementary or secondary. If you do not have access to a computer or the Internet, please contact the administration team at your school for assistance.

For inquiries related to the RCT application process, devices and delivery, please contact Alexander Oliver ([Aoliver@rcto.ca](mailto:Aoliver@rcto.ca)) and for inquiries related to support from YRDSB, please contact Yvonne Kelly ([yvonne.kelly@yrdsb.ca](mailto:yvonne.kelly@yrdsb.ca))

For more information, including complete application and payment instructions, please refer to the attached program flyer and checklist.

Sincerely,

Greg Collins,

Principal
