

LEGACY PUBLIC SCHOOL

WEEKLY EBULLETIN FOR OCTOBER 25, 2013

www.legacy.ps.yrdsb.edu.on.ca

Student Lateness

Being on time is so important for academic success! We have observed that there are too many students arriving late for school. Our bell rings at 8:55 so that students are in their classes and ready to learn by 9:00. Please ensure that your child is here by 8:55 (the school yard is supervised from 8:45) so that they may not miss important learning that happens at the beginning of the day.

Some thoughts for students and parents to consider if they are often late can be found in the article **“Be On Time”**. <http://homeworktips.about.com/od/timemanagement/qt/ontime.htm>

School Safety

We were pleased to welcome the Markham Fire Dept. in to our school on Monday to see our fire drill. Our school was complemented on our calm, quiet and quick movement through the school and out to our meeting places. Well done!! We have also successfully practiced our Lock Down drill. This week we will be practicing our Safe and Secure procedures (used in the case of activity outside of our school that put us at risk) where we bring students into a building (main or portables) and lock doors whilst caring out regular activity in the school.

Stacking

Students in Grades 1-8 have been eagerly stacking in Phys.Ed./Health class or with our lunch hour club. It is never to late to join! The only way to improve is by practicing so many students would like their own cups for home, which come with a DVD! See attached letter.

Math Competition

Once again this year the **Professional Engineers Ontario (PEO) – York Chapter** is hosting their annual **“Mathletics”** competition for all York Region elementary students in grades 5 through 8. The event will take place on **Saturday November 16th 2013** from 12 p.m. to 5 p.m. at Sir William Mulock Secondary School in Newmarket. Please see attached for more information.

Legacy Sport Stacking

Your child has been introduced to an exciting new activity in Physical Education/Health class and may want to be a part of our newest club at school. Students stack & unstack specially designed cups in predetermined sequences and race against the clock to improve personal/team times and set school, area, provincial and even world records! Stacking promotes confidence, hand-eye coordination, ambidexterity, concentration, reaction time, fitness and develops both sides of the body & brain. It motivates kids to move and is a positive alternative to screen time.

As a club, we will also be participating in a Guinness Book of World Records Event -Nov. 14 (*Most People Sport Stacking at Multiple Locations in One Day*) and a spring area tournament. At the moment, students are sharing school cups but many students are asking where they can purchase their own in order to practise at home. This is an activity for all students that improves through practising!!!

You are invited to participate in a group order which offers 15% discount to students, free shipping and free equipment for our school.

Choose your items from the product brochure and order either through **A or B or C**

A order online: go to www.speedstacks.com/go

Find Legacy PS in school listing and place order by **credit card**

B pay by cheque: ask Stacking teacher/coach for *order form (have not been given out)*

Pay by cheque payable to Legacy PS

C call Speed Stacks toll free 1-877-468-2877 and place order by **credit card**

Don't forget to mention it is for Legacy PS

All equipment will be shipped to the school and distributed to the students.

If you would like to order as a **holiday gift**, please let us know and you may pick up your order.

GROUP ORDER OFFER CLOSES November 20!!!

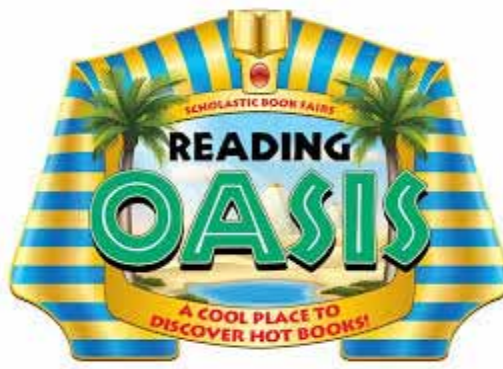

Yours in stacking,

Maria Kollias, FSL Teacher & Sport Stacking Coach

Jill Currie, Phys. Ed. Teacher & Sport Stacking Coach

Heather Attwood, Special Ed. Teacher & Sport Stacking Coach

Dear Parents/Guardians,

The Scholastic Book Fair is coming to our school and we're looking forward to seeing you there.

Our Book Fair connects students to books they want to read. To help your child find the newest best books, he or she will visit the Fair during class time. A Book fair flyer will be coming home in the next few weeks. If you cannot attend, you may use the Book Fair Flyer order form and send it back, along with the correct amount of money, to the school with your child. As well, there is a raffle ballot on the back of every flyer that all children may bring to the fair when they visit. You could win \$50 in books - \$25 for your family and \$25 for your child's teacher.

During the event, we also invite you to help build our classroom libraries by purchasing books and donating them to your child's teacher through the Classroom Wish List Program. There will be a special board in the library explaining this amazing program.

Thank you for encouraging your child to read. By purchasing books and supporting our Book Fair, you enable our school to obtain new resources for our school and classroom libraries. We look forward to seeing you at the Book Fair.

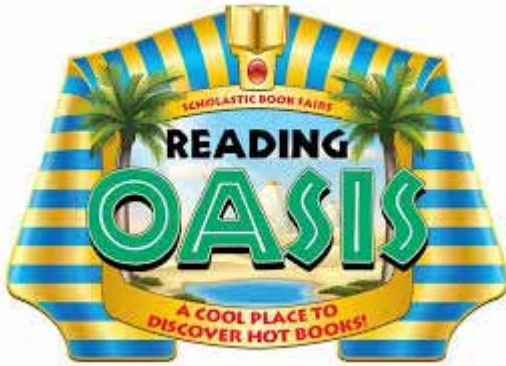

Sincerely,
Mrs. Bloom and Mrs. Wortzman
Teacher-Librarians

Book Fair Times	
Monday November 11	1:50 p.m. – 4:00 p.m.
Tuesday November 12	8:30 a.m. – 4:00 p.m.
Wednesday November 13	8:30 a.m. – 4:00 p.m.
Thursday November 14	9:00 a.m. – 8:00 p.m.
Friday November 15	9:00 a.m. – 11:00 a.m.

Dear Parents,

Our **Scholastic Book Fair** will be held in Legacy's library from November 11th -25th. We need volunteers at the Book Fair to support in a variety of ways. If you would like to volunteer please print this page and return it to your child's teacher by Monday November 4th.

All Volunteers must have a vulnerable sector screening on file.

Monday November 11th – Friday November 15, 2012

YORK REGIONAL POLICE

KEEPING OUR COMMUNITY SAFE TOGETHER

MEDIA RELEASE

BEWARE! THE COMMUNITY SAFETY VILLAGE IS HAUNTED!

Ghosts and goblins will soon be taking over the Community Safety Village of York Region in an effort to seek out tricks or treats at the 9th Annual Halloween in the Village.

Children will have a spook-tacular time at Halloween in the Village. Children under 12 will enjoy a haunted house and games while they trick-or-treat in a safe environment in our miniature village. Children and their parents are encouraged to attend in costume. Members of York Regional Police will be present to pass along Halloween safety tips to trick-or-treaters of all ages. Admission to the event is free but participants are asked to bring a canned food donation for the York Region Food Bank Network.

The Community Safety Village of York Region will host Halloween in the Village on Saturday, October 26, 2013, from 1 p.m. to 6 p.m., rain or shine. Everyone is welcome.

York Regional Police would like to remind all residents that Halloween night is great fun for children of all ages. It is the responsibility of us all to ensure they return home safe and we would like to remind all drivers to be cautious and alert.

Tips for kids:

- Travel in a group or with an adult
- Wear bright, reflective clothing in order to be visible
- Watch for cars and cross streets at intersections
- Inspect candy before consuming it

Tips for drivers:

- Watch for children who may not be watching out for themselves
- Be patient for trick-or-treaters crossing roadways

- Slowdown in residential areas
- Follow the rules of the road

The Community Safety Village of York Region is located in Bruce's Mill Conservation Area, at 3291 Stouffville Road, in the Town of Whitchurch-Stouffville. For more information, contact the Community Safety Village Unit at 1-866-876-5423 ext. 2881 or by e-mail at 5711@yrp.ca.

AMD Mathletics 2013 – Presented by PEO York Chapter and Advanced Micro Devices (AMD) Inc.

AMD Mathletics is a competition designed to create a passion in the application of mathematics in solving day-to-day scientific and engineering problems. Students will be challenged to be active and creative in the use of mathematics. Different facets of mathematics will be introduced and tested.

General Information

Who: There are three levels of competition in AMD Mathletics:

- Junior level is for grade 6 students and below and it is mainly intended for Grades 5 and 6 Junior Math students.
- Senior level is intended for grades 7 and 8 Intermediate Math students.
- AMD session runs between the Junior and Senior levels with an opportunity to win additional prizes.

Individuals only – This is not a team event.

Where: Sir William Mulock Secondary School
705 Columbus Way, Newmarket, Ontario L3X 2M7
(West of Yonge St. and South of Mulock Dr.)

When: Saturday November 16, 2013 (12:00 to 5:00 PM)

Registration: Open until November 07, 2013 or until FULL. Register on-line at <http://peoyork2013mathletics.eventbrite.com/>. Cost per entry is \$15.00 - registration is limited. Both events are individual events. To avoid disappointment, please register EARLY.

What to bring: STUDENTS SHOULD HAVE THEIR LUNCH BEFORE ATTENDING THE COMPETITION. They should bring a calculator, pencil, eraser and scrap paper for calculations to the competition.

Since questions will be projected onto a screen at the front of the auditorium, students requiring corrective lenses for distance should bring them to the competition.

Audience: AMD Mathletics will be conducted in an auditorium and all guests/parents will be able to watch the students in action. Questions will be projected on a screen and the students will respond using the remote/clickers. Results and answers will also be displayed on a large screen.

Objectives

1. To create a passion in the application of mathematics in solving day-to-day engineering problems.
2. To create an interest in active thinking and problem solving.
3. To provide practical experience in engineering problem solving.
4. To provide an entertaining and friendly competition environment.

Eligibility, Testing Standard and Prizes

1. All full time elementary school students from York Region are eligible.
2. Questions are based upon the Ontario Curriculum Grades 1-8: Mathematics
3. Questions relate to the application of mathematics to science and engineering.
4. Some questions will be based on engineering topics introduced during the competition.
5. First, second and third prizes will be awarded in each level.

Registration

1. Registration will be on first come first served basis.
2. There is no limit on number of students from each school.
3. Students may participate in only one level of this competition.
4. Students with financial difficulties can contact the organizer at education@peoyork.com for assistance.
5. Parents must complete the 'Registration and Consent 2013' form and bring it to the event on November 16 or email it to education@peoyork.com by November 7, 2013.

Competition format

1. Both Junior and Senior Mathletics Competition levels are **individual events**.
2. Each level of the competition will have two rounds:
 - Round 1 - Introductory Round – Warm up questions
 - Round 2 - Challenge Round – Fast paced challenging questions
3. All participants are required to participate in both rounds.
4. Each participant will be provided with a numbered wireless clicker. The clickers must be returned to the designated area at the end of the competition.
5. Questions will be projected on a large screen using high lumens advanced projectors.
6. The wireless clicker will be used by the student to enter their answers.
7. A computer will record all responses and compile the marks.
8. Students are allowed to bring and use aids like calculators, paper, pens, and books.
(As a minimum a calculator, scratch pad, and pencil are strongly recommended)
9. Cell phones or any device capable of telecommunication are NOT permitted.
10. Late comers will not be allowed to join.

Scoring

1. Marks from Round 1 and Round 2 will be added together for the overall score, with a higher weighting for questions in the second round.
2. Marks will not be deducted for wrong answers or unanswered questions.

General

1. This contest will be conducted in English only.
2. A panel of adjudicators will resolve all disputes. Their decisions are final and binding.
3. Teachers, parents, guardians and their guests are welcome to attend the event and cheer the participants. The competition will be held in an auditorium. The guests will be able to witness the whole event and see the participants in action.
4. Teachers, parents, guardians and their guests are not permitted to assist or interfere with the participants.
5. Space is limited for the audience. Entry is on a first come first served basis.
6. Food and drinks are **not permitted** inside the auditorium.
7. A student without proper registration will not be permitted to participate in the competition.
8. [Sample questions](#) are posted on our website.
9. Visit the AMD Mathletics 2013 website at:
<http://www.peoyork.com/mathletics/index.html> for the latest information. Please email any inquiries to education@peoyork.com.
