## MOVEMBER SUCCESS

For those wishing to take part in the Movember campaign to raise awareness and funds for men's health issues, but are unable to grow their own facial hair, our Student Council has come up with a fun solution. For a donation of \$1, student council members will paint moustaches on follicly challenged students, staff and community members.

We had a great success today...The next chance to grow a 'stache is on Tuesday!!

## INTERNATIONAL GUESTS

We welcomed guests from Denmark and Norway to our school on Tuesday. They visited most classrooms and had many interesting questions and observations about similarities and differences between our schools. They commented on how students at Legacy appeared to be very conscious of the work that needed to be done. Our visiting was greeted with a smile, but

then students went right back to the task at hand. They also commented on the open doors of all the classrooms (all of the doors are closed in their schools). They also questioned the role of parents in the school. They have no parents in the schools, no volunteers and no school councils etc.

Interesting and very thought provoking in learning how different systems around the world address the same core work we do here.

## INTERMEDIATE VOLLEYBALL

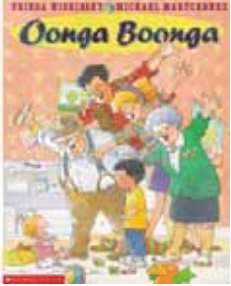

Our Intermediate Volleyball teams have been wonderful ambassadors for our school as they have played against the other teams in the area. Sportsmanship, encouragement and school spirit are some of the traits we saw in both the boys and the girls as they won and also lost games throughout the season. We are very proud of how they conducted themselves and are very proud of their achievements on the court!

Congratulations to our First Place Girls winning the East Area Volleyball Tournament. We also congratulate our Boys winning Silver at the East Area Volleyball Tournament.

Monday, November 25th at 8am is the beginning of our Grade 4 to 6 Boys and Girls Co-ed Volleyball tryouts in the Gym.

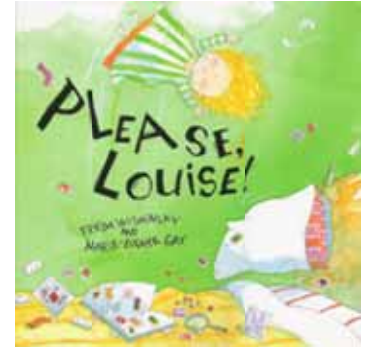

# Frieda Wishinsky is Coming!!!!

We are very excited to welcome author Frieda Wishinsky to our school on Monday December 2<sup>nd</sup>.

She is a well known author who has written many childrens books including Oonga Boonga, Please Lousie, The Queen's Secret, and Explorers Who Made It... or died trying.

She will be meeting and presenting to all the Primary classes with lively, interactive and curriculum-linked presentation.

We are asking that all primary students bring a TOONIE to help cover the cost of presentation. Teachers will be collecting money over the next week.
