## P.A. Day – December 20th

As a result of the [Putting Students First Act](#), teachers are required to take a minimum of one unpaid day off. Therefore, teachers will not be at work on Dec. 20th, a Ministry mandated PA day. Regularly scheduled support staff are expected to report to work on December 20, 2013.

## Sing-a-long

We were lead in song on Dec. 17<sup>th</sup> by Mrs. Wilson and Mrs. Rands (wonderful hosts!!). The assembly of our Legacy family (students, staff and families) was full of song, laughter and a true sense of community. Legacy is a wonderful place. Special thanks to Santa who joined us and let the students know about some staff that had better work hard over the next week to move from the “Bad” List to the “Good” List!!!
