WEEKLY EBULLETIN FOR MARCH 21, 2014

Fire Inspection

Part of keeping our school safe is working closely with Fire Prevention to ensure that we are doing everything to prevent an emergency situation. During our inspection this year we were told to remove all paper from the walls of our school except for the bulletin boards. This has been a BIG adjustment for our teachers since we use every space we can to exhibit student work and materials that student's may access to help them with their work. However, we all understand the importance of fire prevention and this little step may save lives. So, please note that our hallways and classrooms may look a little bare, but we will all adjust to this new norm.

Character Building

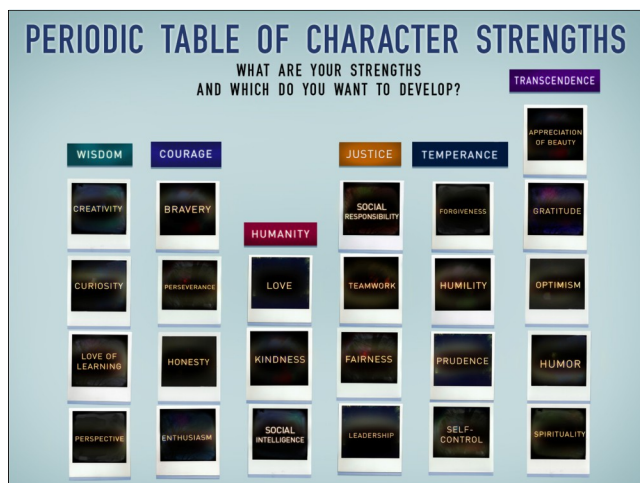

This week, some classrooms watched a powerful film about the Science of Character. We are always striving to build our community through our actions of good character, so please take a moment to watch the film.

Legacy Sport Stacking Club

Grades 1 thru 7 students have been regularly practicing their stacking skills during lunch hours. We are now ready for our first ever tournament against 9 other schools on Saturday, May 3rd in Markham. There will be a special team T-shirt for students who decide to participate! See the registration form attached if your child has been a regular team member and would like to compete.

Grow Interactive

The rescheduled date for Grow Interactive will be on Monday (given we do not have another snow storm!!!). We will be reviewing the affect this program has had on our school culture and will decide with the School Council whether or not this is something we will pursue in the fall. If you have an opinion about the work done thus far, please let us know.

Yearbooks On Sale

Yearbook orders will be on sale for all students on Wednesday, March 26th and Friday, March 28th during lunch recess. The cost of the yearbook is \$25. Payment is either cash or cheque (payable to Legacy Public School). Receipts will be issued as confirmation of the order. The yearbooks are handed out in June. Please see the attached flyer for additional details.

Helping the Philippines

Our Student Council worked with the Helping Hands campaign in December by selling Candy Grams with the proceeds going to CMAT. Last month York Region delivered a cheque for \$50,000 (\$800 which came from Legacy PS). We are very proud of our contribution.

Coming to Legacy March 31st.

We are very excited to welcome Canadian author, Eric Walters to our school on Monday March 31st.

He is a well-known author who has written many children and teen books. He will be meeting and talking to all the Junior and Intermediate classes with a lively, interactive and curriculum-linked presentation.

We are asking that all students in Grades 4 - 8 bring a TOONIE to help cover the cost of this wonderful opportunity. Classroom teachers will be collecting the money over the next week.

Eric will have several books with him available for the students to purchase. Unfortunately because he has written so many books we cannot guarantee what titles he will be bringing. Books range in price from \$7.00 to \$20.00. Eric will sign any books he sells that day. If there is time, he will also sign any personal books that students bring in.

We are also very excited to announce that ten lucky students will win the opportunity to have lunch with Eric Walters. Students may pick up a ballot in the library and complete the skill testing questions. All ballots must be brought back to the library and placed in the ballot box by Wednesday, March 27th.

Dear Parents/Guardians,

Your child has been participating in Legacy's first Sport Stacking Club! The students will be practicing over the next few months in preparation for a school level tournament to be held on:

Saturday, May 3rd at Bur Oak High School in Markham. Parents are responsible for getting their children to & from tournaments as well as supervising outside of the competition area and cheering! There will be 10 schools competing that day (*Primary in the morning, Junior/Intermediate in the afternoon*). Students will compete individually and either in a relay with 3 others or a doubles event. They will demonstrate their skills in front of a judge who will record their timings for 3 attempts.

There will also be a Finals Championship on Saturday, June 7th in Markham, to determine the overall champions in York Region. Please note this date in the event that your child qualifies.

The cost of the school level tournament is \$35.00 per participant which covers costs such as registration fees, permit, team t-shirt and a minimum of one medal.

You can pay in cash or by cheque ~ **no later than Monday, March 24th.**

There is a separate category for the Parent and Child to compete together. Your child will teach you the 3-6-3 (Primary) or the Cycle (Junior/Intermediate). *Cost for the extra event is \$10.*

You will receive a schedule for the day at a later date.

Please contact Mrs. Kollias at the school with questions. You may also visit sportstackingcanada.ca

Mrs. Kollias, Mrs. Attwood, Mrs. Currie

Please detach and return to Legacy PS by March 24th
