

LEGACY PUBLIC SCHOOL

WEEKLY EBULLETIN FOR APRIL 4, 2014

legacy.ps.yrdsb.ca

Congratulations Mrs. Itsou!

We all congratulate Mrs. Itsou on leaving our school to pursue her professional dream of being a teacher. Mrs. Itsou has been a valued staff member at Legacy in her role as our Child and Youth Worker for many years. She has been an advocate for many of our students, a support to our teachers and a wealth of knowledge for many of our families. We are sure that all of her work here will help her as she begins this new phase of her professional life in education as a teacher!

Get Active and Sneak It In!!!

Sneak It In Week is a week-long initiative where ParticipACTION challenges ALL Canadians to sneak more physical activity into their workday/school day. All Legacy staff and students are invited to wear running shoes to work/school from April 7-11th.

It is easy for everyone to participate – wear sneakers to work/school and challenge yourself to get your heart beating faster for at least 10 minutes. Research shows that even short, 10 minute bouts of physical activity are associated with increased fitness.

There will be a variety of initiatives Legacy staff and students will have an opportunity to take part in throughout Sneak It In Week, such as pedometer challenges, park breaks, activity breaks and lunch walks. Even you can try this at home/work. Walk to lunch, park a few blocks away, hit the pavement on a coffee break – as long as your heart beats fast for 10 minutes it really counts! So let's all get active and Sneak It In!!

April is a Busy Month!!

At our Positive Climate for Learning meeting this week, we started to look at all of the initiatives that we have planned for the spring. There are a lot, and all of them fit in our goals for student achievement and well-being. This month we will be looking at healthy living through Sneak it in Week (April 7-11), Earth Week (22-25), and a Parenting Session on April 30th, lead by Dr. Thurton (Naturopath). We will be creating a greater understanding of Autism and a focus on Pause to Play through the week of April 28th. Phew!! There is much more going on, and we encourage you to take a look at our [school's calendar](#) to keep up!!

Grade 8 Trip to Ottawa

After some advocating by some keen grade 8 students, Mr. Carlisle and Ms. Kondro have arranged a trip for our graduating class to Canada's capital. We are all very excited about this experience for our students and hope that this learning will enhance all of the history, geography, and visual art learning that they have had over the past 10 years!!
