WEEKLY EBULLETIN FOR MAY 30, 2014

Kindergarten Sing-a-Long

Our kindergarten students performed back to back Sing-a-Long engagements to a roaring crowd on Wednesday and Thursday this week.

It is amazing to see how far our 3, 4 and 5 year olds have come from the beginning of the school year to now. They shared what they have learned about careers, singing and performing. Well done. Thank you to our kindergarten teachers for their endless patience and instilling the necessary confidence to get up on stage in front of crowds and paparazzi!

Conversation Café

Our School Council hosted two successful sessions with Dr. Kira on Fostering Confidence this week. Feedback has been very positive. We hope to invite Dr. Kira back early next year to speak with parents again about developing skills in your child. A special thank you to Lori Nickerson who organized these events. If you have parenting topics you would like to have addressed (through part of a speaker series or through other workshops) please either speak to a School Council representative or the office. We would like to continue with our Conversation Cafés next year.

Le Chef !!

The students in Grade 4 and 5 experienced some hands on cooking of delicious Crêpes in the staffroom with a real chef! We also learned about the history of this national dish of France and studied the recipe in French.

To add to the excitement, we made our own chef hats and decorated the room with our sketches of famous Parisian monuments such as la Tour Eiffel and l'Arc de Triomphe. This student engagement learning opportunity was made possible by the York Region District School Board, with support from the Canada-Ontario Agreement on Minority Language Education and Second Official Language Instruction.

Scroll down for the recipe and try it at home! Bon Appétit!

Grade 8 Trip

Our grade 8 students are back from their adventure to Ottawa. Soon you will be able to see their pictures on the monitor in the front foyer. Looks like everyone had a great time and learned a lot about our country as well as developing some independence.

P.A. Day

Next Friday, June 6th is a P.A. Day. Staff will be working on Ministry Reporting tasks as well as completing our planning for the remainder of the year. It is hard to believe we are in the home stretch!

Crêpes:

Makes 12-15 crêpes:

Ingredients:

1 cup flour
1 cup milk
3 large eggs
3 tbsp. Unsalted butter, melted
Pinch of Kosher salt

Directions:

Place the flour in a bowl and combine with salt. Make a well in flour mixture. With a wire whisk, whisk 3 tbsp. butter, eggs and milk together and pour into flour well and combine until smooth - batter should be the consistency of heavy cream. Allow batter to rest for at least 1 hour in fridge (resting batter allows bubbles to settle down; this helps prevent crepes from tearing when cooking). Batter can be kept up to 2 days in fridge.

Heat a non-stick frying pan over medium high heat till hot. Spray with a non stick spray or coat with neutral tasting vegetable oil such as canola or safflower. Using a ladle pour about 2 tbsp. of batter into centre of pan. Rotate quickly till pan is evenly covered with batter. Cook until bubbles form on top about 30 seconds, flip with a spatula and cook for about 10 seconds on the other side. Place on a platter to keep warm and repeat for remaining crêpes. Makes around 12-15 crêpes.

Dear Parents/Guardians:

Our school values your input. We are inviting parents and guardians to participate in a survey to support student achievement and well-being.

The surveys provide the Board and our school with valuable information about how you feel about the school environment and your child's education. Results from the survey will be used to identify areas to be addressed, monitor progress and plan strategies to support students.

The questionnaire will take approximately 15 minutes to complete and is available online and in paper format. **Please complete the survey between May 20 and June 2 (Deadline Extended to June 6)** using one of the following methods:

- Online (English only) at: <https://www.surveymonkey.com/s/SchoolClimateParent2014> after May 20.
- Paper copies are available in English, Chinese, Farsi, Gujarati, Hebrew, Korean, Punjabi, Russian, Tamil, Urdu and Vietnamese. **Please contact the school to request paper questionnaires.** If you choose to complete the survey on paper, please return it to the school in the envelope provided.

The information you provide will be anonymous and individual responses will be kept strictly confidential. Individuals will not be identified in any reports resulting from this survey.

We appreciate your participation in this voluntary survey. If you have any questions, please contact the school.

Your thoughts and insights will help further our vision as we work together to promote student achievement and well-being.

Sincerely,

Jeff Demacio
