

LEGACY PUBLIC SCHOOL

WEEKLY EBULLETIN FOR JUNE 6, 2014

legacy.ps.yrdsb.ca

Senior Kindergarten Recess

The week of June 9th we will have our **SKs buddy up with a grade one to go out for recess** to the big playground. Grade ones will be at our doors at exactly 10:55 each day that week (they will come to the classroom where they had SK) to be matched up with an SK.

Hot Weather Plan

So far we have been very lucky in the weather that spring has brought us. The cool breezes have kept the air fresh throughout the school. However, in the next few weeks we will likely have some hot and sticky days. We do have a plan to help keep our students and staff as comfortable as possible. This detailed plan can be accessed through our school's website. We do ask parents to send their child to school with a water bottle everyday to ensure that students have easy access to water wherever they are in the school or on school grounds. Don't forget to mark your child's name on their bottle!

Elections

As many of our families know, Legacy PS will be a polling station on Thursday for the Provincial Elections. This will mean some disruption to regular routines for the school. We will be closely monitoring the Kiss 'n Ride and parking lot on this day (and have asked for additional help from the bylaw officer in our Bus Loop) to ensure student safety and safe traffic flow for drivers.

If at all possible...Thursday would be an excellent day to walk to school!!

Occasional Teachers Again????

Your child may be coming home and explaining that they have had an occasional teacher in their class during the next few weeks. Many of our staff are working with their new grade partners (2014/15) on planning for the start of next year. Specifically classroom teachers are researching the professional learning that they hope to embark on in September that will impact student learning. This is exciting work for our staff and the time to do this together is appreciated.

Babies, Babies, Babies...

Nope, she didn't swallow a watermelon...Mrs. Currie's last day was today as her doctor has told her to put up her feet and get ready for her baby to be born. We will update you with the baby news as soon as the surprise is announced.

Mr. Strutt welcomed a beautiful baby girl to his family this week and he reports that sleeping is going well! Mr. Reali can also be seen pushing two strollers around Legacy with the arrival of their twin girls a few weeks ago.

Last Week of School

As the year starts to wind down anxiety for everyone about next year begins. This is true for students, staff and parents. This year we will be sharing class placements with students on June 25th and we will be giving the students an opportunity to visit with their new teachers in their new classrooms on this day. We hope this will alleviate some stress and will allow for some time to team build together before the summer.

PARENTS!

Kids can make a difference...

By engaging in a variety of fun and interactive experiences, our campers learn about their community and discover how they can make a positive difference in so many ways.

Our 9-12 year-old campers develop leadership, learning and organization skills that will benefit them now and in their future.

You'll be amazed where the possibilities can take your child!
