WEEKLY EBULLETIN FOR JUNE 13, 2014

legacy.ps.yrdsb.ca

Message from Principal Meghan (Winner of the Principal for the Day!!)

Today we did a fire drill at snack because we thought that no matter what situation the teachers and students were in they should remember to still follow the same procedure. The fire drill went really well. Everyone was calm, quiet, and left without forgetting to close their doors. Now we know that we have practiced so if a real fire drill happens we will be ready.

Today we also did a lockdown. A lockdown is where all the teachers and students lock the windows and doors and hide until we hear an all clear on the announcements. It went really well and it was good practice in case one really happened.

Stacking Finals

On Saturday, June 7th, 13 members of the Legacy Sport Stacking Team from Grades 1,2,3,5 attended the Regional Finals for Public and Catholic schools. The fastest stackers in York Region were competing and Legacy students won many medals and ribbons. Results are posted on the bulletin board outside of the library. Thank you Mrs. Cook with Mr. Lu for helping out that day! Head Coach-Mrs. Kollias and Assistant Coaches-Mrs. Attwood & Mrs. Currie are very proud of a great first season at Legacy and we hope to have even more stackers in the next school year!

Stack'em IN, Stack'em OUT, Stack'em with a SHOUT, SHOUT, SHOUT!

Multicultural Week

Next week is Legacy's Multicultural Week and the Equity and Inclusivity (E&I) team have been busy preparing a number of special activities and events to celebrate this important occasion. There will be a kick-off assembly for all classes on Monday, June 16th from 11:20 a.m. – 12:20 p.m. in the gymnasium to celebrate National Aboriginal Day and prepare for the week ahead. There will be a second assembly in the gymnasium for all classes on Friday, June 20, 2014 from 9:15 - 10:40 a.m. to showcase artistic performers, cultural displays, music, and dance from many cultures. Please see the attached flyer for further details about the week's events.

Kindergarten Students are Growing Up and Moving On!!

Starting this week we have had our **SKs buddy up with a grade one to go out for recess** to the big playground. Grade ones will be at our doors at exactly 10:55 each day that week (they'll come to the classroom where they had SK) to be matched up with an SK.

Safety Awareness in the Legacy Community

Markham Fire & Emergency Services will be hosting a "Hot Summer Night" event the evening of July 9th from 6:00 to 8:00 pm to promote the fire service and the services that we provide at the Box grove Plaza (98 Copper Creek Drive). It will give the community an opportunity to view the fire truck in a non emergency and ask questions relating to fire fighting and our role in the community. The goal is to provide community relations and fire safety information in a fun environment for the whole family. We will also invite some of our friends from other City of Markham Departments to attend and provide their relevant information to the community.

Dear Parents and Guardians,

Henna Application and Diverse Fruit Sampling Events

As part of Legacy's Multicultural Week activities, your child is invited to participate in our *Henna Application Event* on June 17 and 18, 2014 and in our *Diverse Fruit Sampling Event* on June 18, 2014.

The *Henna Event* involves placing *Henna* or *Mendhi* on students' hands. *Henna* refers to the dye prepared from a plant and the art of temporary tattooing based on those dyes. Historically, *henna* was used for cosmetic purposes in Ancient Egypt, as well as other parts of North Africa, the Arabian Peninsula, the Near East and South Asia. Students are invited during lunch recess on Tuesday, June 17 or Wednesday, June 18 to have a temporary henna design on their hand in the gymnasium. Please fill out the permission form below and have your child bring it along to the event in order to get a *henna* design.

Diverse Fruit Sampling Event is designed to introduce children to fruits from diverse cultures and to teach them about healthy foods and activities. During this event, children are encouraged to try fruits like mangoes, pomegranate and guava that may be new and different to them. It is important to know if your child has any known food allergies or intolerances that will prevent her/him from participating in this event. Please complete the bottom portion of this letter and return it to school with your child by Monday, June 16, 2014.

Please note that we require return of this permission slip before your child can participate in our *Henna Application* or *Fruit Sampling Events*. If you have any questions about these events, please call the school at (905) 472-4764. Thank you for your support.

Sincerely,

Legacy's Equity and Inclusivity Committee

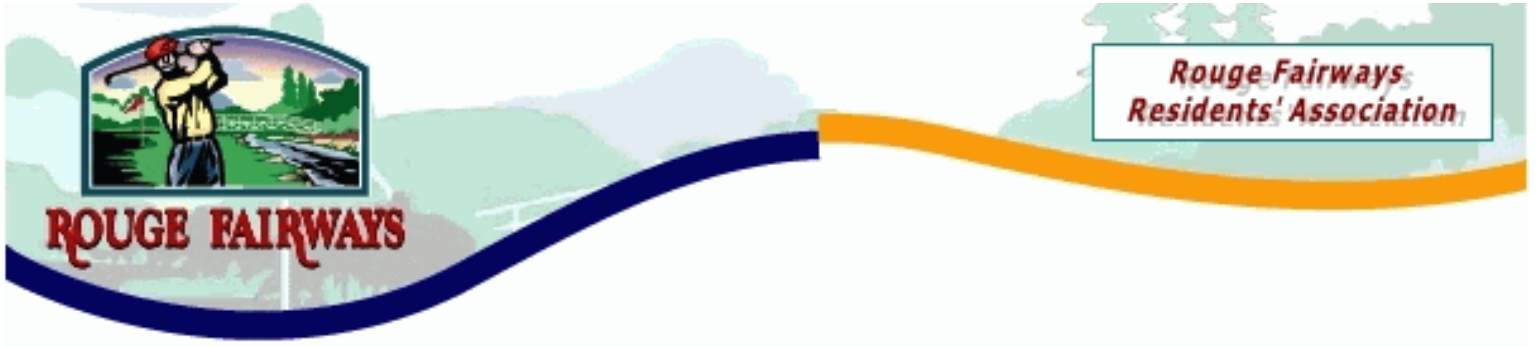

My child **DOES NOT** have allergies to mangoes, pomegranate and guava. He or she may participate in fruit tasting.

My child **DOES** have allergies to mangoes, pomegranate and guava. He or she may **NOT** participate in fruit tasting.

I grant permission for my child to participate in getting a Henna design on their hand for either Tuesday, June 17 or Wednesday, June 18, 2014.

Dear Principal:

Re: Grades 7 and 8 Immunization Clinics

Nurses from York Region Community and Health Services will be at your school three times during the next school year to conduct immunization clinics for grade 7 and 8 students. The following information is provided to inform you of a change in the vaccine schedule, and to provide you with your clinic dates.

The Elementary School Clinics Schedule has been sent with this letter, and is also posted at www.york.ca/immunizations under School Immunization Clinics. Please note that we are unable to make changes to the schedule due to the mandatory intervals between vaccinations and the expansion of the school program.

What is the school-based vaccine schedule?

Time period and vaccine	Hepatitis B (Grade 7 students) (mm/dd/yyyy)	Human Papillomavirus (HPV) (Grade 8 females) (mm/dd/yyyy)	Meningitis (Grade 7 students) (mm/dd/yyyy)
Fall (September to October)	√	√	
Winter (November to December)		√	√ (NEW*)
Spring (March to May)	√	√	

*Please note that Meningitis vaccine will now be given to grade 7 students during the winter campaign

Please mark your calendars with the dates of your school's clinics. Kindly contact us as soon as possible if the grade 7 or 8 student enrollment numbers for school year 2014/2015 have changed significantly as this affects clinic planning. You will be receiving a more detailed package, including consents and clinic requirements, in August.

We hope that you will find this information helpful in planning for the 2014/2015 school year's immunization campaign. Please contact Kim Keffer at 905-830-4444, ext. 74354 or kim.keffer@york.ca, if you have any questions or concerns.

Sincerely,

Isabel Payne, RN, BScN
