WEEKLY EBULLETIN FOR SEPTEMBER 26, 2014

School Safety

The Board has a number of policies and procedures in place to address emergency situations when normal school operations cannot continue or where student and staff member safety may be at risk. This could include a fire, flood or acts of violence. All schools have individual plans and conduct drills throughout the year. There will be six fire, two lockdown and one hold and secure drill throughout the year so students become familiar with Emergency Preparedness procedures. These drills are important so that in the case of an actual emergency, students and staff members know what to do to be safe. In a hold and secure situation, York Regional Police will ask that outside doors of a school be locked. Normal school operations will continue inside the building but no one many enter or leave the building until police indicate it is safe to do so.

Terry Fox Run

Legacy participated in our annual Terry Fox Run on Wednesday this week. Thanks to the staff and students for their enthusiastic participation and thanks to the volunteers who cut up all of the oranges! Speaking of oranges, a HUGE thank you goes to our community grocery store, Longos, for donating oranges for the whole school to enjoy at the end of the run.

Save the Date - Grade 6/7 Parent Information Night for Muskoka Woods Trip

On Wednesday October 22, 2014 we will be having a parent information night for our upcoming Grade 6/7 trip. Representatives from Muskoka Woods will be here to talk about the three day experience, outline trip details and answer any parent questions. We look forward to seeing you there!

Kiss 'n' Ride - Kindergarten Families

The volume of cars parked on the roads around the school continues to be high. The Kiss 'n' Ride is a safe and effective way to drop your child off in the morning. Volunteers and students help children exit from their car and Kindergarten students are walked directly to the Kindergarten drop off area. If you would like to participate in this program, please visit the office for a package and identification card.

PA Day

Staff completed a full day of mandatory training and compliance on Monday, September 22nd. In addition to this work, staff identified and shared professional learning goals that they are focusing on for the school year.
