### Farewell from Ms. Taylor, Acting Principal

I have enjoyed working with the students, parents and staff of Legacy P.S. very much during Ms. Ryckman's absence. She will return on January 5, 2015 and is looking forward to being part of the Legacy P.S. community once again. Ms. Ryckman and I have met to ensure that this transition goes smoothly for everyone at Legacy. It has been a pleasure to be part of such a vibrant school community. The common purpose that is shared by staff, parents and students motivates all of us to do our best for Legacy students.

I wish all Legacy families a safe and enjoyable winter break, and a happy, healthy 2015!

### Kindergarten Registration to Commence January 16, 2015

Kindergarten registration will commence on January 16, 2015 for the 2015-16 school year. Registration forms are available on YRDSB's website: [www.yrdsb.ca](http://www.yrdsb.ca). Children who turn four or five years old during 2015, live within the school boundary and whose parents are public school tax supporters will be eligible to register for kindergarten. A kindergarten information session for parents is being planned for this spring. For more information please visit the YRDSB website or contact us at Legacy.

### French Immersion Registration will take place from January 16 - February 13, 2015

Information sessions for the French Immersion (FI) program will take place at [French Immersion schools](#) on January 15, 2015 at 7 p.m. FI registration will begin January 16, 2015. In order to streamline the registration process, parents or guardians of Senior Kindergarten students entering Grade 1 in 2015, and wishing to enroll in the FI Program, can visit or call their home school office (where your child currently attends) and request an Office Index Card - short version. The Office Index Card must be signed by the principal of the home school. Parents or guardians then take this form, along with one piece of identification showing their address to your [designated French Immersion school](#) to register between January 16 and February 13, 2015. This eliminates the need to provide duplicate enrolment information or to pre-register.

### arts@baythorn ARE YOU INTERESTED IN LEARNING THE CURRICULUM THROUGH THE ARTS?

If so, the York Region District School Board offers an Elementary integrated Arts program at Baythorn Public School. York Region students have the opportunity to explore the disciplines of Dance, Drama, Visual Arts and Music while meeting the necessary curricular requirements for the grades five, six, seven and eight programs.

**January 15, 2015 @ 6:30pm** - Information Evening for Arts @ Baythorn

The arts@baythorn program is an intensive three or four year Arts program (depending on the grade of entry) providing students interested in the Arts with the opportunity to study Dance, Drama, Music and Visual Arts in the company of other students with similar interests. Participation in the Arts can increase a student's self-esteem, self-discipline, self-motivation, as well as their ability to internalize concepts presented in the various academic subjects.

### Being Safe Online

**Cyberbullying** involves the use of electronic devices or the Internet to threaten, embarrass, socially exclude, and harass. Cyberbullying is often repetitive and can have significant socio-emotional implications for the victim and for those who witness the bullying. Cyberbullying can occur through various forms of social media, including texting, email, chats, websites, instant messaging, cell phones and through the use of pictures/video clips. Cyberbullying is often aggressive behaviour that can be intentional or unintentional, direct or indirect, and it may include mockery, insults, threats, racist or homophobic comments, gossip, rumours, group exclusion, humiliation and social rejection.
