Happy New Year

We hope that all of our families have had a great break. Staff and students are excited to be back! We look forward to working with you in the coming months.
Laura Ryckman & Jeff Demacio

Pediculosis (Head Lice)

Each year cases of pediculosis (head lice) are found throughout our schools. In an effort to reduce the numbers of cases found and decrease the inconvenience to parents/guardians and students, the York Region District School Board requests your assistance. As your child is now returning to school after the holidays, please inspect his/her hair and scalp for pediculosis. Periodic inspections during the year will help prevent the spread of head lice.

Head lice are tiny (1/8" or 3mm long) wingless insects with flattened bodies. They cling to the hair by means of six legs. They live mostly behind the ears and at the nape of the neck. The female lays tiny, yellowish-white eggs called nits. They resemble dandruff but are attached to the hair by a cement-like material and are very difficult to remove. It is usually the eggs that are noticed first.

If head lice are found, do not return your child to school until treated. This will prevent the spread of pediculosis. Children are only allowed to reenter the class when all the nits are removed from the hair. For more information, please call the Public Health Nurses at York Region Health Services Health Connection line, 1-800-363-5653, (Monday to Friday, 8:30 a.m. – 4:30p.m.).

Cold Weather!!

This week we have experienced COLD weather. We thank parents for sending your children to school with appropriate clothing to play outdoors on the days that it is safe to do so. We do send students outside for recess unless the temperature is below -20C. Depending on weather conditions (e.g. wind, sun, precipitation) we sometimes shorten recess to ensure everyone is safe.

Parents Visiting the School

In an ongoing effort to maintain a safe and secure school community, we want to remind parents that the front doors of the school are the only place where visitors should enter. If you have an appointment with a teacher or require assistance, we ask that you check in with the office. Lunches are to be dropped off on the table outside of the main office and parents need to stay outside when picking up students.

Kindergarten Registration to Commence January 16, 2015 (PA DAY - No School Classes)

Kindergarten registration will commence on January 16, 2015 for the 2015-16 school year. Registration forms are available on YRDSB's website: www.yrdsb.ca. Children who turn four or five years old during 2015, live within the school boundary and whose parents are public school tax supporters will be eligible to register for kindergarten. A kindergarten information session for parents is being planned for this spring. For more information please visit the YRDSB website or contact us at Legacy.

French Immersion Registration will take place from January 16 - February 13, 2015

Information sessions for the French Immersion (FI) program will take place at [French Immersion schools](#) on January 15, 2015 at 7 p.m. FI registration will begin January 16, 2015. In order to streamline the registration process, parents or guardians of Senior Kindergarten students entering Grade 1 in 2015, and wishing to enroll in the FI Program, can visit or call their home school office (where your child currently attends) and request an Office Index Card - short version. The Office Index Card must be signed by the principal of the home school. Parents or guardians then take this form, along with one piece of identification showing their address to your [designated French Immersion school](#) to register between January 16 and February 13, 2015. This eliminates the need to provide duplicate enrolment information or to pre-register.
