Keeping Our Students Safe

A reminder to all parents and caregivers: due to the number of children allergic to nuts and peanuts, we ask you to refrain from sending nut and peanut products to school. Children's safety is our first concern and we ask that all parents follow this policy. In support of this, children with peanut/nut allergies must have up to date medical information and 2 epipens at school, at all times. One epipen must be on your child, and the other will be kept in an appropriate place in the school.

PLEASE do not send food for sharing to school – this includes birthday food. Thanks for your support.

Gauss Math Contest

Congratulations to our intermediate students who accepted the challenge and participated in the Gauss Mathematics Contest on Wednesday! Prepared by the University of Waterloo, the test consisted of twenty-five problem-solving questions derived from the curriculum expectations for Grades 7 and 8.

Badminton Area Champions

We are very proud to report that our amazing badminton teams took top spot in the Area Tournament and are excited to be competing at the Regionals later this month.

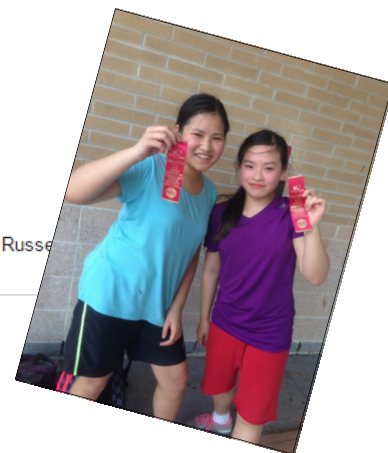

PanAm Activity Day

The weather forecast called for rain on Friday, so we are looking forward to a fun-filled day of sports during our Pan Am Activity Day coming on Tuesday May 20th.
