French Rock Concert at Legacy

Legacy Students learning French were treated to an awesome concert with the Canadian rock musician Roland Bibeau. All the catchy tunes were prepared in class ahead of time which resulted in full audience participation. Grade 3 students were included to give them a sneak peak at some of the fun they are in for next school year! This opportunity was made possible via the York Region District School Board, with support from the Canada-Ontario Agreement on Minority Language Education and Second Official Language Instruction, in support of the development and provision of meaningful French as a Second Language (FSL) learning opportunities for elementary and secondary students in FSL programs (Core French or French Immersion).

I am Unique.....Legacy's Got Talent

On Friday, June 19, 2015, Legacy's Equity and Inclusivity Committee will be presenting a talent show named "I am Unique.....Legacy's Got Talent" in the gym. Legacy students will be afforded the opportunity to watch their colleagues showcase their talents through dance, songs, plays, martial arts and much more. The event begins at 9:30 a.m. and ends at 11:00 a.m. Parents are welcome.

Legacy Fun Fair

Last week the Legacy School Council hosted an amazing evening for our school community. The weather cooperated and food, fun and friendship were plentiful!! Thank you to all of the parents, students and community members who helped by volunteering to make this a success. Special thank you to Heather Sally who headed up the organization of this event. The hours of planning paid off. Our Fun Fair was a great success.

Volunteer Tea

The Legacy staff hosted a Volunteer Tea to thank the over 100 volunteers that we are fortunate to have working with us throughout the year. Parents and community members who volunteer allow for our students to extend their learning through hands-on activities, field trips and event organization that we would otherwise not be able to offer. We thank our volunteers for their commitment to our students' learning. Thank you!!!
