Legacy House Colours

Monday will mark the 1st Annual Mascot Design Challenge. Students will meet with their House Colour Tribe to create a Mascot for the end of day assembly and show. The mascots will be judged by special guests and House Points will be given to the winning House Colour teams!

This activity has been designed to include all of the Legacy students and staff and help us have some fun as we meet other students and staff than we normally work with at school.

Please see flyer attached to see how you can help with this over the weekend!!

Safety Week

This week we had the participation of our local police and fire department as we practiced a number of fire and lockdown drills. We are very proud of the behaviour and understanding our students shown during these drills. This was also commented upon by both the police and firefighters. We will have several more drills through the year, some with intentional complicating factors (e.g. a Lockdown Drill with a fire alarm pulled, fire drill at recess) so that we are always prepared and thinking about how to keep ourselves and each other safe.

Reminder for Parents

It is essential that parents and school visitors sign in at the office if they plan to visit a classroom before, during or after school. This helps us know who is in the school at any given time (in case of fire or Lock Down) and helps us identify intruders in our building. If your child forgets something at school you must either sign in at the office or have a staff escort to enter classrooms.

Leadership Opportunity - Markham Mayor's Youth Council

Joyce Chan is an 11th grade student at Unionville High School. When she was in the eighth grade she co-founded the Markham Mayor's Junior Council (MMJC) which is a subcommittee of the Markham Mayor's Youth Council, the youth subsidiary of the Markham City Council. Every year the MMJC looks for students in grades 6-8 to join our team and build their leadership skills. The students on this team plan and host events, conferences, and activities for other elementary school students. The mission of this committee is to promote and encourage the engagement of elementary school students in their communities. The Markham Mayor's Youth Council would like to invite Legacy students to complete a questionnaire at bit.ly/mmjcapps by October 16th if they are interested in joining this team.
