Upstanding Assembly!

On Friday, Legacy celebrated Pink Shirt day in support of our Anti-Bullying initiatives this year. As a school family, we discussed what bullying is and isn't and the steps that our students can take to prevent it in the future. Homeroom classes will be getting together to dig deeper into the issues facing our students and creating links to be combined into chains representing the practical steps that students will be taking to be an upstander at Legacy.

An "upstander" is someone who recognizes when something is wrong and acts to make it right. When an upstander sees or hears about someone being bullied, they speak up. Being an upstander is being a hero: we are standing up for what is right and doing our best to help support and protect someone who is being hurt.

Legacy is now accepting online payments!

School Cash Online will be up and running on March 1st. In order to sign up, families will require a student number when following the steps on the website. Each student has been provided with a detailed instruction sheet that will include their personal Student Number. Look for this to come home tonight.

Save the Date - School Council March 7th 7:00pm

Mr. Cecil Roach is one of our Coordinating Superintendents. His responsibilities include providing leadership in the areas of equity and inclusion and parent, family, and community engagement. Mr Roach believes that parents are important partners when school boards carry out their core business of student achievement and well being. He also believes that School Councils must work to ensure that they are equitable and inclusive in their practices and all voices are included in Council deliberations.
