## Red Maple Cover Contest Winner

On Tuesday the members of the Red Maple Book Club had the opportunity to attend the Festival of Trees at Harbourfront. Everyone had a great time meeting the authors and getting their books signed. Charlotte C. met with Allan Stratton, whose book “The Dogs” was the winning book. Charlotte’s art work was used on the special plaque presented to the winning author. Thank-you to the parent council for giving us the extra money needed to purchase these awesome books. Let’s keep reading!

## Read-a-thon Success

What an exciting end to a very successful School Council fundraiser! The big winners of the Grand Prizes for the Read-a-thon were drawn this morning at recess to much fanfare. Our lucky students were Requelle R., from Mrs. Gardner's class who won the iPod Touch, Mila V., from Mrs. Chinnery's class who won the Kobo Reader and Carter N., from Mr. Babalola's class who took home the Tablet. Congratulations to all the students who took home prizes during the daily draws.

School Council would like to thank all the families, students and teachers who supported our annual fundraiser. The Read-a-thon raised a whopping \$6395! The proceeds from our fundraising initiatives go directly into enhancing your child's experience at Legacy Public School, so thank you for your continued support.

The Legacy School Council is made up of a group of parents, teachers, Vice Principal, Principal, and community members. We are all dedicated to making sure our school is a positive environment for our children to learn in. Please consider coming out to a meeting, as we are always looking for new members and fresh ideas.

## Happy Victoria Day on Monday!!

## Legacy Track & Field 2016

On Wednesday, May 25th, students in Grades 4-7 (*8's will compete during Phys. Ed. classes*) will be participating in Legacy's annual Track and Field Day (*rain date Wednesday June 8th*). The school meet supports the Health and Physical Education curriculum and participation is required unless there is a medical reason your child is unable to partake. These students will be helpers and can contribute in other ways to the school track meet. The activities and events will begin in the morning and continue throughout the day. Students will have built in breaks throughout the day and are encouraged to bring litter-less healthy snacks and stay hydrated. We will break for the regular lunch period. It is important that your son/daughter come to school prepared for the days' events. This means that the following items are essential:

- Sunscreen
- Hat
- Running/Athletic shoes
- Water and healthy snacks
- Appropriate clothing for the weather and the event (NO JEANS)

Students will be notified the following week, if they have qualified for the East Area Track & Field Meet (June 13th). As always, we would appreciate any parent volunteers who would be willing to help our staff run these events. If you are able to help out for the day please call Mrs. Currie at 905-472-4764, or send a message with your child.
