P.A. Day

A HEALTHIER LEGACY!!

Public Health has removed the school advisory in regards to the Noro-Virus!! While we are cautiously thankful for this, the experience was a good reminder for all of us about the necessity of hand washing and staying home when we are ill. We will continue to be diligent in our cleaning processes, reminding students about hand washing. Thank you for your support in keeping ill children home.

EQAO

Students in Grade 3 and 6 will be participating in standard testing next week. This will result in some minor timetable changes for the school and an adjustment in some supports for students. We are confident that our students will do their best!

TRACK AND FIELD

On Wednesday, our grade 4-7 students participated in Legacy's Track and Field events. It was a busy day organized by the marvelous Mrs. Currie and carried out by our amazing Junior/Intermediate teachers and some talented parent volunteers. Mrs. Currie and her team now have the task of reviewing scores and creating our Area Team who will compete in June.

Ms. Sacco and Ms. Sartor's students represented Legacy at the Regional Track Meet for students with special needs. We are very proud of their accomplishments and love hearing about the day!!!

MAY 27, 2016

GRADE 8 TRIP TO OUR NATION'S CAPITAL

Our grade 8's have been learning in Ottawa this week. This trip is rich in learning about our government, law system and history as the students visited the Supreme Court, the Mint, the Parliament Building and Sir John A. MacDonald's home, Bellevue (among other landmarks). Students stayed in a hotel, ate in restaurants and will hopefully come home with a new air of independence and appreciation for our country.

ONE MONTH TO GO!!

Staff have been busy ensuring that this year's curriculum is completed, trips and extra activities that complement their teaching are fit in, as well as placing students and creating orders for the start of next year. It is a busy time for everyone! Please check the Legacy calendar regularly to ensure your child is prepared for what the day is offering. Visits from our Fire Department, South Asian Week, and Olympic day are only a few of the items that have been added. It is a busy few weeks!!

Students will be meeting their 2016/17 teachers and classmates on Tuesday June 26th in the afternoon. We hope this relieves some of the first day jitters in September!!

Message from our Trustee

As the school year comes to a close, I would like to thank you for all that you have done to help make this school year a successful one for our students.

We share a common goal - to give our young people every opportunity to reach their full potential, and we all have a role to play in supporting that goal. However you choose to get involved, your engagement and support make a difference. We know that good schools become better schools when they are connected with families.

Thanks to the ongoing efforts of our students, families, staff members and community partners, we are creating a welcoming, caring and inclusive learning environment that fosters student achievement and well-being.

As we move into summer, I encourage you to seek out opportunities to continue and complement the learning that takes place throughout the school year. That could mean taking a nature walk, visiting a museum or reading a book. Whatever your plans are over the next few months, I hope you have a safe, relaxing and enjoyable summer.
