The Importance of Safe Driving

We have had several reports to the school of unsafe driving on our streets. In particular, of cars passing school buses that have their lights flashing. As an extremely dangerous hazard that could have serious implications for our students, this act carries a fine of \$400-\$4000 and six demerit points and possible jail time. If you see unsafe driving, please report it to the York Region Police at 1-866-876-5423.

Legacy Family Blue Jays Night

We are looking at a Legacy Family Blue Jays Night in September. In order to make this happen, we need to know if your family is interested, and how many tickets you would purchase. The seats would likely be in the 500 section and be approximately \$40. *More details will be provided, once we know the interest level of our community.*
