Kinder Spring Concert and Play

Dear Legacy Community:

Today our school had the opportunity to learn how WE can CHANGE the world! Through the voices of a passionate group of intermediate students, we were made aware of the hardships many children around the world face on a daily basis.

With the encouragement and assistance of Free the Children, they are calling us all to action! They would like to challenge our community to CREATE CHANGE. . . literally!

Today, students were sent home with bags and were asked to fill them with *change*, (bills, are also a welcomed *change*) that will go directly to Free the Children to help communities around the world.

The class, in each division, who raises the most money by the end of the week, will win an AWESOME prize!!

Primaries, Juniors and Intermediates (who raise a minimum amount of money equal to the amount of students in the class, BUT raise the most money) will win all the paraphernalia for an EPIC water party fun day!

In addition to our challenge, students were also give an order form for the purchase of Rafikis. *Rafiki* means *friend* in Swahili and is a beaded bracelet handcrafted by a mama in Kenya who is empowered though earning a fair wage for her work. These beautiful, and very popular bracelets, come in a variety of colours - each with its own special significance and purpose. All orders are due by **Wednesday, June 15th**.

Please help to be the CHANGE we all want to see in the world.

Regards,

Me to We Committee

ME to WE Rafikis.

Bracelets that change the world.

Each bracelet is handmade with love by a woman in Kenya, empowering her to earn a living and create a better future for her family and her community. Every Rafiki also gives back, by donating to a community overseas through a life-changing impact like clean water or school supplies.

Please return completed order forms and money by Wednesday, June 15th to your child's homeroom teacher. Bracelets will be delivered to students within a week.

Thank you so much for your support.
Together, we can BE the CHANGE!
