## A HEALTHIER LEGACY!!

This year we had the Lion's Club partner with our school to screen kindergarten students for Vision and Hearing. This alerted many parents to go and seek additional testing from their physician to rule out any need for glasses or hearing support. We highly recommend that all students get checked to ensure that their sight and hearing is not impeding their ability to communicate, read, or actively participate in activities. Summertime is a great time to get these tests done!

## TRACK AND FIELD

Our Track team competed in the Area meet this week. We sent over 60 athletes and have 15 moving on to the Regional Finals representing 18 events!

This is very exciting for our team and their coaches (especially Mrs. Currie who organized track this year).

*Good Luck Legacy Lightning!!*

## FIRE DEPARTMENT VISIT

Our friendly Firefighters who regularly visit our school to teach our students (and staff) about fire safety will be visiting to teach our primary students about how their hoses work on Tuesday! This is a much anticipated visit and a lot of fun as the Firefighters turn their hoses on our students!! If your child is in the primary grades, please make sure they are prepared to GET WET on Tuesday!!

## GOODBYES AND HELLOS

As the year ends we prepare for some staffing changes as teachers move on to new teaching experiences and we hire teachers into the positions at Legacy.

At the end of June we will say farewell to:

Mrs. Burke, Ms. Chopra, Ms. Choi, Mrs. Kennedy, Mrs. Kuypers, Mrs. Manimanakis, Ms. Mercone, Mrs. Merkley, Mrs. Sartor, and Mrs. Tratnik.

In September, we will be welcoming:

Mr. Chin, Mrs. Nobes as well as some later additions as we continue to hire throughout the summer.

## Blue Jays

Get your tickets here!!! Please consider joining us on September 23<sup>rd</sup> as the Blue Jays beat the Yankees at the Roger's Centre!! We have a block of tickets and look forward to cheering and jeering with Legacy families as we all witness the Jays clinching the American League East Championship!! (Optimism is a celebrated character trait!!) Ticket Information can be found at [School Cash Online](#).
