Mathletes & Family Math Night

Throughout the day on Thursday, our grade 2-6 students were involved in Mathletes. This highly energizing program encourages students to solve a variety of math problems. The energy and enthusiasm of all of the staff and students was beyond incredible. In the evening, families joined the fun by attending the Family Edition of Mathletes. The combined total of math problems solved during this awesome day of fun and learning was 10,843!

Way to go Legacy!

Special thanks to Mrs. Andrews who planned and organized this large scale event. A big thank you goes out to Lori Nickerson and the Legacy School Council for their work in applying for the Parents Reaching Out Grant that covered the costs of the Family Math Night.

Lost & Found

Our lost and found has been sorted and displayed in the main hallway, outside of the gym. If your child has lost any clothing or personal items this year, please remind them to check the tables in the main hallway. We will be donating the unclaimed items at the end of the day on January 29th.

Cold Weather

This month, we have experienced COLD weather. We thank parents for sending your children to school with appropriate clothing to play outdoors on the days that it is safe to do so. We do send students outside for recess unless the temperature is below -20C. Depending on weather conditions (e.g. wind, sun, precipitation), we sometimes shorten recess to ensure everyone is safe.

School Bus Cancellation Notice

To ensure the safety of students, school bus service may be cancelled due to inclement weather, extreme temperatures and/or poor road conditions. In these cases, parents and students should develop alternate care/transportation arrangements.

Since some busing schedules begin by 7:00 a.m., cancellation decisions must be made by 6:00 a.m. to allow time to communicate this message to bus drivers. Cancellation decisions will only be made after thorough consultation with the Safety Officers of school bus companies servicing York Region and are based on several factors including precipitation, air temperature, road conditions and weather forecast.

Please note the following;

- A decision to cancel school bus service will be **region-wide** meaning all school buses, vans and taxis will not operate.
- When bus service is cancelled all school tests and/or examinations will be cancelled and rescheduled.
- Student trips involving the use of school buses will also be cancelled.
- **School bus routes may be cancelled when severe weather may not be affecting all municipalities in York Region.** Both the YRDSB and YCDSB operate many regional educational programs. Students attending these programs are transported over large attendance areas encompassing several municipal boundaries. This limits the ability to cancel bus service using a municipality or zone methodology.
- Unless otherwise stated, schools will remain open and parents can make arrangements to transport their children to and from school even if school bus service is cancelled. **If buses are cancelled in the morning, they will not operate in the afternoon. Therefore students transported to school by parents will require the same transportation home.**

Parents, students and school staff are asked to access the following radio and television stations after 6:00 a.m. to receive bus cancellation information:
