## Saying Farewell - A Message from Mr. Demacio

The role of an administrator has change at its core. When you begin a journey with a new school, you hope to be a leader who works alongside staff, students and parents to bring about meaningful and positive change for the community. You learn and grow together. During my three years here, the Legacy family has helped me become a better educator and administrator. Thank you to parents and guardians, who trusted me with the care and support of your children. Thanks to our staff, who partnered with me each and every day to promote student achievement and well-being. A big thank you to Laura Ryckman for her leadership and mentorship over my three years here. And, of course, thank you to all of the students who make Legacy such a special place to be. Your love of learning, kindness, and engagement will carry you far in life! As I embrace changing schools to continue my journey, I know that you will all continue to make Legacy a great place to live, work, and learn. I will remember fondly our time together.
