2020/2021 KINDERGARTEN REGISTRATION

Kindergarten Registration Starts January 17, 2020

Kindergarten registration begins Friday, January 17 for the 2020-21 school year. We look forward to welcoming our new students and families to our school.

Children who turn four or five years old during 2020, live within the school boundary and whose parents/guardians are public school tax supporters will be eligible to register.

NEW

There are two ways you can register for Kindergarten:

Online. You can access the online registration information at bit.ly/KindergartenYRDSB.

A laptop or desktop computer is strongly recommended to complete the online registration, rather than a mobile device. Once you have completed the forms online, you will need to take some required documents to your school for verification only.

In person. Families are welcome to visit the school in person to register beginning January 17. Registration forms are available at the school or on the Board's website at

bit.ly/KindergartenYRDSB

Happy New Year! At Legacy, we are excited to ring in the new year with the commitment in our work to:

1. Help our students deepen their thinking and application of math concepts through problem solving.
2. Continue to promote a safe, healthy and inclusive learning and working environment where students and staff feel they matter and belong
3. Continue to build collaborative relationships with students and families and staff through respectful and responsive focused communication, school events and activities.

TAMIL NEW YEAR

January 14 begins the month of "Thai" and the start of the Tamil New Year. On this day Tamils around the diaspora will be celebrating Tamil New Year and Thai Pongal, the Tamil harvest festival. We wish our Tamil families a Happy New Year!
