TERM TWO REPORTS

Term 2 report cards will go home on June 26th.

This report card describes how well your child has achieved the overall curriculum expectations for each subject and how well your child has demonstrated the development of learning skills and work habits essential to succeed in school and daily life. This report card represents evidence of student learning that has been gathered from January to the end of June.

Please review and discuss the report card with your child and take the opportunity to celebrate your child's accomplishments. Space is provided at the bottom to identify steps for improvement together with your child. Please complete and return the tear-off form to the homeroom teacher on June 27th as it will be placed in your child's Ontario Student Record.

All schools in York Region are committed to improving student achievement and well-being. On Thursday, June 27th, an early release day will take place to allow elementary teachers and support staff to take part in meetings during the afternoon of that day.

As has been our practice in the past students will attend school during the morning of June 27th. Students will be dismissed at 12:00 pm.

Arrangements will be made for students to be bused. Parents or guardians need to make arrangements to address this change in schedule.

June 28th is a PA day and this time will allow for school staff to engage in culminating activities to support the School Improvement Plan and transition activities that support student success.
