In November 2018, York Region District School Board will invite all students to participate in the **Every Student Counts Survey (ESCS)**. The purpose of this census survey is to better understand YRDSB's diverse student population as well as students' experiences in school and outside of school. Families with a child in Kindergarten to Grade 6 will be invited to complete the survey online with their child at home. Students in Grades 7-12 will be invited to complete the survey online during class time. If you are a parent/guardian of child(ren) in Grades 7-12 and do not want them to participate in the survey, please contact CCI Research at 1-866-450-4907 no later than October 9, 2018.

Our First School Council Meeting will occur on **September 24th** from 7:00-8:30 pm.

The election of the **Parent/Guardian School Council Executive Members** will occur at this **September 24th meeting**. We invite parents to attend and meet other parents, ask questions, become involved in our school community and work in partnership with the staff at Legacy PS.
