Spirit Day Feb. 14th

Valentines Day is celebrated in many parts of the world as a day of love and romance. These traditions are sometimes associated with Saint Valentine(s) (there have been several) from the Middle Ages in England.

At Legacy we celebrate the day with acts of Friendship. We also have some fun by wearing Red, Pink and White. Show some spirit Legacy!

Reports Go Home February 15th

The Term One Report Card will be coming home on Wednesday. Please take time to read over the report carefully and speak with your child about what the report records as their progress during the first half of the year. It is important that all students (even our youngest) look at what they have achieved, identify their strengths and goal set by looking at the Next Steps.

If you have questions about the Report Card please contact your child's teacher.

STEM Night

The Legacy School Council will be hosting STEM Family Nights for all of our students this year. These will be opportunities for families to come together and play with Science, Technology, Engineering and Mathematics.

Please see attached flyer for more information about the K-2 March 1st event!

Girls in Science

February 11th is the International Day of Women and Girls in Science. On Friday morning (Feb. 10th) at 9:30am, Mr. Chin's Grade 4 class will be taking part in a program hosted by "Exploring By The Seat of Your Pants" with other schools all over the world. They will be joining 5 other classrooms and hanging out through Google Classrooms on camera with Gaelin Rosenwaks. During this hangout Gaelin will be speaking and we will have a chance to interact and ask questions directly to her. We look forward to hearing what she has to say!!
